BRITANNIA
LIFE ASSURANCE COMPANY.
No. 1, Princess-street Bank, LONDON.

Capital—£1,000,000 Sterling.

THE Undersigned in giving notice of the REMOVAL of his OFFICE, to No. 46, Great St. James Street, begs leave (whilst thankfully mentioning the great and decided success of the above institution in this Province), to inform the public (as some misunderstanding and misrepresentations have taken place on the subject), that the Rates of the Britannia are lower than those of any European or well *Established Life Office*, doing business in this country, and submits below a statement of rates at the age of 30—of several other offices. He would also beg leave to mention, that the BRITANNIA OFFICE was established for the purpose of granting on *moderate* bases to parties desirous of assuring their lives, by not charging higher rates than absolutely required to render the business safe.

For those who wish to participate in profits, there are Tables combining both the Mutual and Proprietary principles, which are well deserving of the attention of the public.

The undersigned would, however, remark, that the opinion of many well versed in the subject of Life Assurance, is, that the choice of a Table which requires the smallest possible payment, compatible with safety, is the most advantageous.

J. H. MAITLAND,
Agent for Canada.

Prospectuses and Tables of Rates can be obtained at No. 46, Great St. James Street, or from any of the Agents, or Medical Referees throughout the Province.

THIS COMPANY, which has been established 20 years, commenced with a subscribed Capital of $2,000,000, and was the first, 20 years ago, to offer to the Public two Scales of Premiums—the lower, to insure only a fixed amount; the higher, entitling the Insurers to a participation in the profits.

Strangers Sent to Reserve.

Very low Rates of Premiums on Young Lives.

The security of a large realized and invested Capital.

Large Bonuses on Policies effected on the high Scale.

Prompt settlement of Losses.

The full value given for Policies when discontinued.

On Insurances for the Whole of Life: one-half of the Premiums, if desired, permitted to remain unpaid for the first seven years, as a Loan at interest, and then to be paid, or to remain as a permanent Loan, of the option of the Insurer.

Loans upon Policies for the Whole of Life, after payment of three Premiums, in proportion to the value of same.

The occupations of Naval, Military, Climate, and Special Risks of all kinds, on payment of a commensurate Premium. Age admitted on the Policy when issued, if desired, on proof of date of birth.

Permission for the Lives assured to reside in any part of Europe, without extra premium or special license, and to, at and from California, at a small extra premium.

Insurances, if required immediately, may be effected any day between the hours of 10 and 4.

The Pamphlets published by this Company fully set forth the merits of Life Insurance; and copies thereof may be had, *gratis*, on application to the Agent, who is also prepared to furnish every information that intending Insurers may require.

THE Advantages offered to the Public by this Institution are MANY and IMPORTANT, and the Rates of Premium quite as LOW as security to the Assured, and safety to the Office, will admit of.

The following are some of the advantages offered by this Society:—

The peculiar Benefits secured to the Assured by the principle of the LOAN Department.

One half of the Premium for the first five years may be paid by the Assured's own Note. These Notes need not be paid, but may remain on Interest, to be deducted from the Policy on the death of the Assured.

Insurers can at all times demand, or a right, a Loan to the extent of two-thirds the amount of Premium they have paid—upon deposit of their Policy, and guaranteeing it will be kept in force. This important advantage removes the fear so many entertain of being obliged, through pecuniary embarrassment, to let their Policies lapse, and at a time such a provision is absolutely needed for their families.

No Charge for Stamp Duty, nor for Medical Examination.

The Bonuses divided Annually, either in Cash, Reduction of Premium, or in addition to the sum Assured—whichever of these three ways the Assured may most prefer desire, after being a Policy Holder for Four Years, at which period a Bonus is payable for the Four Years—Annually afterwards.
