War Widows Remarrying.
War widows are making the best of misfortunes and many are taking unto themselves other husbands. Information forthcoming from the Board of Pension Commissioners shows that a great many women who have lost their husbands at the front are remarrying. War widows who remarry are given a gratuity of \$250, which amount is paid to them in a lump sum. This is the equal of one year's pension, ordinarily paid in monthly instalments to widows. Then the Government ceases to have further responsibility for the widow, though the pension allowed to each of her children continues, in the case of a girl, until she attains the age of seventeen years, and in the case of a boy, until he reaches sixteen years of age.

Yorkshire Hogs of Real Bacon Type.
Yorkshire hogs are distinctly of the bacon type. They have small hams and shoulders and a large quantity of side meat and do not get excessively fat. This makes it possible to produce an excellent quality of bacon from them and they ordinarily command a premium on the market if shipped in carload lots. The Yorkshires are very prolific and are excellent mothers. They are inclined to be more active than the lard breeds and need better fences. The Yorkshires are to be recommended for regions where corn is grown in a small quantity. Where corn is the principal crop of the farm, the lard breeds prove more profitable.

2,500 Guineas for Bull Calf.
A 12-days-old bull calf, Haydon's Dutch King, from the famous English Friesland herd of Mrs. Putnam, has been sold for the record price of 2,500 guineas to Mrs. Brown, of St. Albans.

Mr. Farmer

Just look and see if your house, barn or silo does not need a fresh coat of paint. If they don't, some of your implements, machinery or wagons do. Prepare to paint them now, and you will find you never spent money with more gratifying results, and you will also find it easier to obtain insurance.

Mr. Townsman

What about your house, barn, garage or fence? As there has been very little painting done in the past four years some of them will need painting badly. If you don't do it soon you will need to renew the woodwork also, and you know what that will cost you. Save the wood by painting it with
