HATCHING EGGS.

From my vigorous, healthy, free-range-all-the-year, stock of pure-bred heavy laying

S. C. White Leghorns

The females are raised from the well known bred-to-lay strains of Gould and Fisher, and are mated this Spring to unrelated males imported direct from the pens of Mr. Guild. In order to introduce this strain into this district, I will sell the eggs at the low price of \$1.00 per 15; \$3.00 per 50; \$5.00 per 100. Eggs are strongly fertile. My first incubator hatch (250 eggs) tested out over 94 p. c. a remarkable record for early March. Am now booking orders for day old chicks, delivery May and June at 12 cents each, \$5.00 for 50. Order early.

H. M. S. PINAFORE A GREAT SUCCESS

The opera H. M. S. Pinafore, under the direction of Mrs. Cora Pierce Richmond, presented at the Nicklet Theatre, Monday evening was a great success and was greeted with a packed house. Every member of the Company took their part splendidly. The leading parts were excellently taken as follows: Lewis Pick—Admiral, Sir Joseph Porter, K. C. B. Doris Chambers—Cousin Hebe Phil Hudson—Ralph Rackstraw Evelyn Neely—"Josephine," the Captain's daughter Fred Manning—Capt Cochrane. Rex Harlowe—Dick Deadeye. Harold Wilson—Boatswain. Miss Helen Knowles made a most charming little "Buttercup" taking the part to perfection.

A special feature of the evening was the part taken so well by Mr. Mackelvoy.

The choruses were splendid and the orchestra much enjoyed. The splendid manner in which this popular operetta was presented reflected the greatest credit on the efficient leader Mrs. Richmond and her talented pupils.

Ladies of St. Paul's Hold a Successful Tea.

The usual splendid success attended the Tea held by the ladies of St. Paul's on Tuesday of last week. The tea was held in the spacious Ryan Building, Main Street, an ideal place for an affair of this kind. The artistic decorations were in keeping with the spirit of patriotism now prevalent.

The supper tables with their floral decorations were very tempting and the very excellent tea which the ladies of St. Paul's know so well how to provide, was thoroughly enjoyed by all, when so graciously dispensed by the fair maidens in attendance. The other attractions were the apron table, presided over by Mrs. W. C. Hiltz, Mrs. G. C. Roy and Mrs. Gaspard Roy, the ice cream table, under the charge of Miss Laura Campbell, Miss Anna Campbell and Mrs. Frank McKay, and Home-made candy with Miss M. Chase, Miss Jennie Lockhart and Miss Vera Baird in charge. The Chinese laundry booth which was in charge of a number of the younger girls was one of the unique and delightful features of the evening.

The sum of \$265.00 was received which will be used for work in connection with the Ladies Society of St. Paul's. The committee in charge are to be congratulated in the success of the undertaking.

Full Dress for Motor Cars.

There is the same satisfaction in owning a car equipped with Campbell Detachable Upholstery that here is in being faultlessly dressed. Campbell Detachable Upholstery will add to your new car a warmth of color, a richness of tone and finish that no other single article of equipment can give, and will also transform the worn appearance of your last year's car to the smart luxury of the fine Limousine.

This upholstery fits over the regular upholstery like the upholstery itself, becoming in appearance an inherent part of the car body, with a snap of its special fasteners you adjust each hand tailored part over cushions, backs, arms and doors, with equal ease you slip it off for cleaning.

If you are buying a new car, ask to see it equipped in this latest style. If you are having your last season car overhauled and varnished, order a set of Campbell Detachable Upholstery in the fabric that just suits you, and give to the upholstery a look that will correspond with the new appearance of the outside of the body. The cost will be surprisingly moderate. In many cases less than the price of a single tire.

Write today for illustrated folder and samples, or better still call at Kentville and see them on the car.

There is a set for your particular auto ready for you.
