Mineral Oil

The Natural System Lubricant

Mineral Oil is the only true, natural system lubricant, and is the latest science step toward the elimination of constipation, through natural oiling the bowels, and thus normalizing their functions. The Mineral Oil which we offer is a strictly American product, of the very highest refinement. Odorless, tasteless and Colorless. Recommended by physicians, easily retained by the system, and more a pleasure than a hardship to take it. It does away with pills, powders, drastic liquids. It is neither a cathartic, laxative, or an aperient, but a natural bowel lubricant. Try it

CHRISTMAS PLAY

St. James' Church Sunday School Christmas play and Tree, was well attended, and was a decided success. After an interesting programme of music and recitations provided by the scholars, the play was announced by the Herald, with a trumpet, proceeding a gaily dressed eastern procession, who slowly marched up the centre aisle and around the tree, to the strains of a solemn march, played by Mrs. J. D. Clark.

In the procession were fluttering angels wings, golden crowned kings and shepherds with their flowing robes, and useful staves, and royal pages carrying the gifts for the manager.

A beautiful tableaux was shown on the stage by all those taking part in the play then the three acts were well carried out under the direction of Mr. Stephens, who kindly gave his time.

Between the acts, the Sunday School children sang a succession of Christmas carols which was enjoyed by all present.

The concluding tableaux was a lovely picture of the Virgin Mary, the angels, and throngs, and shepherds and pages kneeling around a manger where the Kings presented their gifts while all sang softly, the exquisite carol, "Holy Night."

The golden straw for the manger, and the large sheaves forming the background and covering the stage floor, was kindly donated by Mr. Blair of the Experimental Farm.

At the close of the play "Santa Claus" appeared in gala dress and was received with shouts and clapping of hands, by the children, who were made happy with gifts from the well laden tree.

At the close a collection was taken for the relief of the Belgian Children, followed by the National Anthem.
