

## Is Your Hair Sick?

That's too bad! We had noticed it was looking pretty thin and rough of late, but naturally did not like to speak of it. By the way, Ayer's Hair Vigor is a regular hair grower, a perfect hair tonic. The hair stops coming out, grows faster, keeps soft and smooth. Ayer's Hair Vigor cures sick hair, makes it strong and healthy.

### PHI LIPPSVILLE

hot weather, have done their work.  
Potatoes, corn and gardens are in  
a backward state. Cows are shrink-  
ing in their milk. Pork-raisers are

feed for their pigs.

## Local and General

Recorder (Tuesday): Mr. John  
Wiltse and two daughters, Misses  
Belle and Sabra, of Athens, were in  
town to-day. . . . Master Benson W.  
McLaughlin left this week for Athens,  
where he will spend the summer  
vacation at the home of his uncle, Mr.  
W. G. Towrie.

On account of the Orange celebra-  
tion at Westport, July 12th, arrange-  
ments have been made to run a special  
train, leaving Brockville at 8.30 a.m.,  
and arriving at Westport at 10.30  
a.m.; returning train will leave West-  
port at 5.00 p.m. and arrive at Brock-  
ville 7.00 p.m. This train will arrive  
at Athens at 9.15 a.m. Fare for  
round trip 90c.

A delightful afternoon was spent by  
the members of the catechumen class  
of the Methodist church on the church  
lawn on Saturday last. Miss Belle  
Wiltse, the efficient teacher of the class,  
is most devoted to the interests of her  
young pupils, and her affectionate re-  
gard is reciprocated by the children  
and fully appreciated by their parents.  
This annual gathering is always antici-  
pated with pleasure, and Saturday was  
an ideal day for the outing. The  
swings that had been erected were very  
much enjoyed, and into the various  
games and amusements the children  
entered with hearty zest. A new and  
perhaps the most interesting feature of  
the day's program was the pieces pro-  
duced by the gramophone so pleasantly  
operated by Mrs. W. Percival. The  
gathering was honored by the presence  
of the pastor and his wife and also by  
parents and friends of the children.  
All partook heartily of the good things  
provided and it was late in the evening  
before the last of the merry gathering  
dispersed.

## REMARKABLE INVENTION FOR THE CULTURE OF HAIR

THE EVANS VACUUM CAP is a practical invention constructed  
on scientific and hygienic principles by the simple means of  
which a free and normal circulation is restored throughout the  
scalp. The minute blood vessels are gently stimulated to  
activity, thus allowing the food supply which can only be derived from  
the blood, to be carried to the hair roots, the effects of which are  
quickly seen in a healthy, vigorous growth of hair. There is no rub-  
bing, and as no drugs or chemicals of whatsoever kind are employed  
there is nothing to cause irritation. It is only necessary to wear the  
Cap three or four minutes daily.

## 60 DAYS' FREE TRIAL!

### The Company's Guarantee

An EVANS VACUUM CAP will be sent you for sixty days' free  
trial. If you do not see a gradual development of a new growth of  
hair, and are not convinced that the Cap will completely restore your  
hair, you are at liberty to return the Cap with no expense whatever  
to yourself. It is requested, as an evidence of good faith, that the price  
of the Cap be deposited with the Chancery Lane Safe Deposit Company  
of London, the largest financial and business institution of the kind  
in the world, who will issue a receipt guaranteeing that the money will  
be returned in full, on demand without questions or comment, at any  
time during the trial period.

The eminent Dr. I. N. LOVE, in his address to the Medical Board on the subject  
of Alopecia (loss of hair) stated that if a means could be devised to bring nutrition to  
the hair follicles (hair roots) without resorting to any irritating process, the problem  
of hair growth would be solved. Later on when the EVANS VACUUM CAP was  
submitted to him for inspection, he remarked that the Cap would fulfil and confirm  
in practice the observations he had previously made before the Medical Board.

Dr. W. MOORE, referring to the invention says that the principle upon which the  
Evans Vacuum Cap is founded is absolutely correct and indisputable.

An illustrated and descriptive book of the Evans Vacuum Cap will be sent, post free,  
on application.

## FRIENDSHIP

## WHAT DOES IT COST YOU

A few days ago two farmers off the B. & W. were seen  
comparing each others suits.—The taller man said, "You  
were beat out of \$8.00. Why don't you try Semi-Ready?"  
The other replied that he was a personal friend of this other  
merchant and did not like to go past him.

His friendship cost him \$3.00.—You say he was  
an easy mark, and so he was and yet the bush is full  
of such people.

Reader, if you buy your clothes at any old price because  
of friendship, you pay too much—the price is too high for  
what you get.

## Price and Quality are Our Best Salesmen

Style and fit we throw in gratis.  
Sir, will you hold on to your friendship, but purchase  
your next suit from the man that offers you the best for your  
money? Will you? Will you make up your mind right  
now so that when you purchase again you will give your  
money where it belongs, not to the man that can smile the  
broadest (friendship), but to the man that puts up the best  
bid for your custom. Do it now.—If not, why not?
