Favorite Picture of
The People's Prince

When it became definitely known that H.R.H. the Prince of Wales would open the Canadian National Exhibition this year the management at once got into touch with the official photographers in London and requested a profile photograph of him for reproduction on the Victory Year Medal to be awarded to the winners of the Agriculture and other sections of the Big Fair. The photo shown above was received after considerable delay, and immediately a cable was rushed back to this effect:

"A mistake has been made. An official picture is desired. One you sent shows the Prince without hat or coat and with khaki shirt collar turned in. Charming description, but hardly dignified enough."

Then came the answer:

"Sorry you dislike it. It's the Prince's favorite picture, taken with the Canadians in France and in every sense official."

And that is the reason why the People's Prince will appear on the Canadian National Exhibition 1919 medals, hatless, coatless and in the careless attire of the Fighting Man in France. He will open the Big Fair on Monday, August 25th.
