THE ACADIAN announced last week that Mr. Victor O. Chittick, a recent graduate of Acadia had been appointed to the post of English Language and Literature in place of Prof. Paterson, who resigned last spring. Word was received by the College authorities at the end of the week that Mr. Chittick was compelled to give up the position. The appointment of Mr. Harold O. Black to the position has since been made. Mr. Black is a graduate of Mt. Allison and has also an M. A. from the same institution and from Harvard University. He has been pursuing a course which would have led to the degree of Ph. D. next year but was persuaded to give this up to accept the chair of English here. Mr. Black comes very highly recommended and will no doubt prove a valuable addition to the faculty of Acadia. He is a native of English, this province, and a young man of fine qualities.

At the Opera House.

In the 'Tenderfoot's Turn' which the Colonial Stock Company are presenting, a true description of life in the west is placed before the public in such a manner that one can almost imagine they are living in that part of the country.

The Colonials have presented many Western plays during their sojourn in the Maritime Provinces, but this is without a doubt the best of all regarding as it does the best of our own comedy, and interest, seldom found in plays of this description. The Company, too, is without a doubt the best acting combination that has played in this part of the country at popular prices.

In addition, they are offering for the first time, Mr. Dave Nicholson, one of the cleverest, scabatic contortionists, ever in Canada. This act alone is worth the admission. Don't forget the date, Wednesday, Oct. 9th.

Home Wedding.

The residence of Mr. and Mrs. Jonathan Hayes, this town, was the scene of a very pretty home wedding on Wednesday evening of last week, when their daughter, Jean Taylor, was united in marriage to Ralph Marshall Simson, of Melanson. The ceremony was performed by Rev. E. D. Webber, pastor of the Wolfville Baptist church, in the presence of a goodly number of relatives and friends, several coming from Boston, Halifax and elsewhere to be present.

The house was tastefully and handsomely dressed for the occasion, the drawing room being decorated in green and white and the dining-room in pink and green.

The bride, who is one of Wolfville's staid daughters, was handsomely attired in white satin with veil and orange blossoms had carried white roses and ferns. She was attended by her sister, Miss Ina Hayes, who was dressed in red satin with white chiffon overdress and carried a bouquet of pink sweet-peas. The groom was supported by his brother, Mr. Gordon Simson.

After the ceremony dainty refreshments were served, the whole arrangement being most elaborate.

The happy young couple drove to Kentville, where they took train next morning on a short wedding tour, and on their return will reside at Melanson. The bride's going away dress was brown with hat to match.

Many beautiful and costly presents attended to the popularity of the bride, the groom's gift being a handsome set of furs.

THE ACADIAN wishes Mr. and Mrs. Simson every happiness and prosperity.

HIS BLADDER WAS TERRIBLY INFLAMED

GIN PILLS Brought Relief

Larder Lake, Ont., March 26th. "I had been suffering for some time with my kidneys and urine. I was constantly passing water, which was very scanty, sometimes as many as thirty times a day. Each time the pain was something awful, and no rest at night."

I heard of your GIN PILLS and decided to give them a trial at once. I sent my chum 50 miles to get them and I am pleased to inform you that in less than six hours, I felt relief.

In two days, the pain had left me entirely. I took about half a box and today I feel as well as ever and my kidneys are acting quite natural again."
