Wolfville Defeats Windsor

OLD RIVALS PLAY EXCITING GAME

A good sized crowd gathered at Evangeline Rink last Friday evening to see the old rivals, Windsor and Wolfville, stage the first hockey game of the season. The teams were evenly matched and the play throughout the whole game was exceedingly close. First one team and then the other took the lead, and the spectators were kept guessing from the beginning to the end of the game. The final score stood 8 goals to 7 in favor of the home team.

Soon after eight o'clock the referee, James Christie, lined up the team for the face off. The Wolfville boys began with a rush and carried the puck into Windsor's territory. The visitors fought hard but in less than two minutes the home team scored the first goal, and loud cheers rose from the spectators. The visitors tried hard to even up the score and after repeated rushes succeeded in landing the puck in the nets about the middle of the period. Play eased off during the remainder of the period and there was no further scoring.

The Windsor boys started the second period with a rush and in little more than a minute succeeded in netting the puck, giving them the lead. The visitors continued to have the better of the play and six minutes later again scored. Things looked bad for the Wolfville team but they bucked up and made several unsuccessful attempts to score. Finally Christie got away with the puck and passed to Baird who scored Wolfville's second goal. The home team tried hard to even up the score but the period ended 3 to 2 in favor of the visitors.

The final period was the best and most exciting of the whole game. Play raged fast and furious throughout the period and the scoring was heavy. The Wolfville boys went on the ice with a determination to even up the score and in less than a minute the trick was done. The visitors, however, came back with a rush and were soon in the lead again. The home team then settled down to business. A pretty combination play resulted in Brent Eagles netting the puck and the score was again tied. From the face off the puck was rushed to Windsor's territory and Wolfville again scored from a mix-up in front of the goal. Windsor again tied the score. Here Fraser made one of his spectacular rushes, carrying the puck the length of the ice, and passing to Baird who placed the puck in the nets. The home team was now going strong and working better together. Another combination rush which resulted in a score and the victory of the home team was assured. The visitors succeeded in netting two more goals, and Stackhouse scored for the home team, making the final standing 8 goals to 7 in favor of Wolfville.

The Wolfville team was composed of the following:
Goal—Fred Eagles
Point—Theodore Stackhouse
Cover—Harry Fraser
Centre—Herman Baird
Wings—Brent Eagles
George Christie
Spares—Kennedy and Woodman

A return game was played at Windsor on Tuesday night when the Wolfville boys went down to defeat to the tune of 11 goals to 3. Cheer up boys, you will do better next time.

Cottage Hospital For Western Kings.

The people of Western Kings are moving in the direction of a Cottage Hospital as a Memorial to the fallen soldiers. A meeting was held at Aylesford on Monday evening, Jan. 12th, at which the opinion generally expressed was "that a hospital costing \$125,000 at Kentville would not meet the needs of the people as well as one or more Cottage Hospitals through the county." The meeting was a large and enthusiastic one and by a standing vote gave its support to this idea. Another meeting will be held at Berwick shortly for further discussion.

Milk Prices In Canada

The average retail price of milk during the month of November, 1919, in the various provinces of the Dominion was as follows:

Nova Scotia, 14 cents
New Brunswick, 14.8 cents
Quebec, 13.8 cents
Ontario, 14.4 cents
Manitoba, 14.5 cents
Saskatchewan, 16.6 cents
Alberta, 14.9 cents
British Columbia, 17.5 cents
Average for the Dominion, 14.5 cents

"Little Peggy O'Moore"

The following is what the Charlottown Guardian had to say about the play, "Little Peggy O'Moore", which the Young Adams Co. will present at the Wolfville Opera House on Feb. 11th and 12th:

Those who attended the Prince Edward Theatre on New Year's night and heard that beautiful Irish American idyl, "Little Peggy O'Moore", enjoyed a couple of hours in laughter and appreciation which gave them a wholesome start in the new year.

The Theatre was filled to capacity and the only dull moments were those between the acts which gave the audience an opportunity to get their sides unknicked, and the tears—tears of laughter wiped off their cheeks.

Margie Adams made a most attractive Irish girl; witty and winsome, her very appearance eliciting roars of laughter. Mr. H. Wilmot Young, as Daniel Murphy, Mayor of the city, took the role splendidly, while the other members of the cast gave excellent support in a drama that was thrillingly interesting from start to finish.

The Guardian strongly advises every one who enjoy a good, clean, wholesome play with plenty of laughter, strong acting, magnificent scenery and all that goes to make two hours of solid enjoyment, not to miss this performance. Few plays given in Charlottown have been better staged and none more thoroughly enjoyed than "Peggy O'Moore."

The fifth-sixth annual session of the Nova Scotia Fruit Growers' Association was held at Kentville on Tuesday, Wednesday and Thursday of this week. The meetings proved very interesting and instructive. The following officers were elected for the ensuing year: President, V. B. Leonard, of Clarence; Vice-President, Manning K. Ellis, of Port Williams; Secretary, W. Foster, Kingston; Assistant Secretary, W. L. Harris, Aylesford.

Kings County War Record

A War Record of Nova Scotia is being prepared by the Provincial Government under the direction of Mr. H. C. Crowell, of Halifax. This will be written according to counties and Mr. G. C. Roy, of Kentville, has been requested to make up the record of Kings County. Much of the data concerning its work, such as subscriptions to Victory Loans, contributions to the various funds, etc., is known to him, but there is much of purely local work that should be tabulated. In order that the record will be as accurate as possible those who were associated or familiar with the war work in Kings should send full particulars to him, not only giving the amounts collected, but the names of chairmen, treasurers, and members of the committees. For instance, the following information is desired:

Contributions to Red Cross in money and materials. Number of members of Red Cross Societies and names of presidents and secretaries and treasurers. Belgian relief, contributions in money and materials. Other War Funds, giving amounts collected and names of executive. Recruiting number of men raised in county. Casualties, number killed, number wounded. Shipping, number, tonnage and value of vessels built for trading purposes. War material, this is to include everything manufactured in the county for war work, the value and the names of the firms who made them.

All chairmen and treasurers of the various Funds are asked to send in amount of subscriptions received and names of executive and it is particularly requested that all who sent subscriptions either direct or through a district collector to Halifax or other central point will respond to this notice. A very fair report on recruiting and casualties will be gathered if the clergymen in Kings will send the numbers for their various congregations.

As this will be the permanent record for Kings and will be a matter of more than local interest it is hoped that any who were associated in any way with War Work in Kings will see that the information is sent to Mr. Roy.

Seminary Notes

A NEW VOCAL TEACHER

The number of pupils desiring instruction in voice is now so large that it has become necessary to add to the staff of the Conservatory another vocal teacher. Mrs. Hanna Russell Gregory, who arrived on Wednesday of this week, has studied for several years with such well-known teachers as Gilchrist and Peakes of Philadelphia, and Harold Brown, of New York. She has had nine years' experience in private teaching, and has been eminently successful, as the work of her pupils has proved. She makes an excellent impression as a soloist and has had experience in choir and concert work as soloist and conductor. Pupils desiring instruction should register at once with Dr. Fisher.

More than eighteen new students have been received as residents since the new term began.

The Faculty recital will be held on Friday, Feb. 6th. Watch for further announcement. A most interesting programme has been provided.

Civic Club Meets

NOMINATES CANDIDATES FOR COMING ELECTION

About thirty citizens attended the Civic Club at the Town Hall last Friday evening. It was one of the most enthusiastic meetings that have been held since the club was organized, and more citizens should have been present. The President, Dr. M. R. Elliott, was in the chair.

The first business of the meeting was the nomination of candidates for the coming civic elections. The executive presented the name of Mr. C. S. Fitch for Mayor, and Mr. Fitch was nominated by the Club. For councillors the executive presented the names of Messrs. J. W. Williams and L. E. Shaw. These men being agreeable to the Club they were nominated. Mr. Williams had been previously nominated by the Great War Veterans. For the third councillor it was suggested that the ladies might have a candidate. Three ladies were nominated and upon a ballot being taken Mrs. L. C. Moore was elected the nominee of the Club.

Miss MacIntosh, Dean of the Women of Acadia University, was present at the meeting and asked the support of the citizens in an undertaking that she had planned. Her plan was to take a church and school census of the town, the work to be done by her class in Social Service. After hearing her explanation of the project the Club promised her all the support possible.

Mr. H. E. Calkin gave a verbal report of the Old Home Summer and International Exposition Conference which he and Dr. Elliott attended at Halifax in December.

Death of Esteemed Lady

There passed away on Dec. 31st the wife of J. P. Jodrey, of White Rock. Mrs. Jodrey had been ill for some weeks and it was thought that a change with her son Roy at Wolfville would prove beneficial but she gradually failed. Her kind and gentle ways made her beloved and respected by all who knew her.

Besides her husband she leaves two sons, Charles, of Greenfield, and Roy, of Wolfville, and one daughter, Miss Eva, at home; also two sisters, Mrs. Cashman, of Mosherville, and Mrs. McMonagle, of Framingham, Mass., and one brother, Alfred Harrington, of Hall's Harbor.

The funeral took place at her son's home in Wolfville and was conducted by Dr. Cutten. A large number of friends and relatives gathered to pay their last respects to one who was dear to them all. The floral tributes were numerous and handsome.

Canning Scouts vs. Wolfville Tuxis Boys

Last Friday evening a clean, fast and exciting game of hockey was played between the above teams. The line up was as follows:

| Canning | Wolfville |
|--------------|-------------|
| L. Huston | Goal |
| H. Lyons | Point |
| H. Huston | C. Pt. |
| M. Burgess | Centre |
| G. Eaton | L. Wg. |
| T. Huston | R. " " |
| B. Blenkhorn | Spare |
| | C. Coldwell |

All the boys played a good game but the two star players were undoubtedly Lyons, of Canning, and W. Kennedy, of Wolfville. The former excelled in stick handling and the latter in speed. The score was 10 to 4 in favor of Wolfville, but the Canning team was handicapped by lack of practice. With the completion of the new rink at Canning the Wolfville boys will have to work hard to retain their laurels.

The Scout Band gave some excellent music for an hour after the game and the thanks of the Scout Association is due to the public for their patronage, the rink management for their liberality, and the members of the band for their services, which helped the Scout finances to the amount of \$19.00.

Old Home Summer Notes

On February 12th and 13th there is to be another Conference in Halifax in connection with Old Home Summer, which will be attended by all County convensors, press delegates and representatives from various organizations.

All schools are to be organized for the movement, as well as the adult population.

Many of the municipalities of the Province are passing resolutions endorsing the Old Home Summer and International Exposition project; and thirty-seven branches of the G. W. V. A. have also endorsed it.

Westwood Hospital Notes

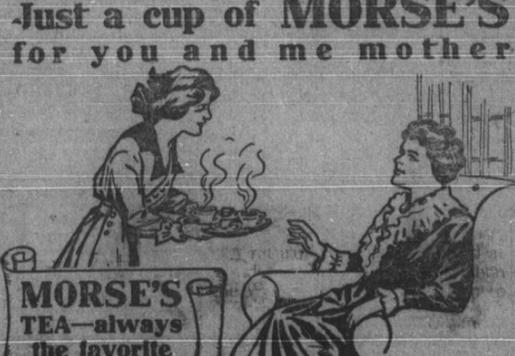

Mrs. H. W. Phinney who had a small operation performed at Westwood Hospital on Tuesday last is making a good recovery.

Harold Johnson who was operated on at Westwood Hospital has returned to his home fully recovered.

We are glad to hear that Mr. Crockett who has been seriously ill at Westwood Hospital, is progressing rapidly and is now able to sit up.

Westwood Hospital has just closed a very successful year, having admitted over one hundred cases, fifty of which have been operative cases, and all successful. These facts show what a great need there has been for such an institution in Wolfville, and it should have every encouragement to broaden out in a larger scale.
