

Children Cry for Fletcher's

# CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for babies. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

### What is CASTORIA?

Weekly Report of the Outlook in Ontario.

The following is a summary of reports by Agricultural Representatives to the Ontario Department of Agriculture:

Owing to a scarcity of grains and the high price of mill feeds, a large number of cattle, many of them young animals, are being marketed, and less livestock than usual, are likely to be carried over the winter. Poultry are receiving more attention than formerly. Eggs are now registering their highest price record. The marketing of grains has been very slow, and much of it is being fed.

Hay is in a fair quantity and is selling more or less freely at from \$20 to \$30 a ton, but straw is at a premium, as all spring grains were unusually short in stalk. Ensilage is in good supply, and is of excellent feeding quality.

Reports received regarding the present condition of fall wheat continue to be favorable.

**BURTON JACKSON BROKE UP HOME, BROWN CHARGES**

Tonawanda Lumberman, An Active Church Worker, Defendant in \$100,000 Alienation Suit.

**BUFFALO, Dec. 19.**—Burton F. Jackson, treasurer of the Haines Lumber Co., Tonawanda, is the defendant in a \$100,000 suit begun by John K. Brown, No. 387 Haynes St., in which Mr. Brown charges alienation of his wife's affections.

Summons and complaint in the case were served on Mr. Jackson on Monday at his home, No. 261 Highland avenue, according to Mr. Brown's lawyer. Mrs. Brown was a widow with three children when she married Brown here about two years ago.

**Alleged Seductions**

The complaint is said to contain charges of a sensational nature. News that the suit had been begun caused a stir in social circles. With Maurice E. Preisch, No. 24 Anderson place Jackson owns the Haines Lumber Co. He has a wife and four children.

In the complaint, Brown alleges, it is said, that he returned suddenly and unexpectedly to his home on the morning of December 10 and found Jackson and Mrs. Brown there. Jackson is about fifty-six years old and a grandfather.

Soon after the wedding here the Browns took up residence in Jamestown, where Brown said his home life was happy until a year ago. Then he said, his wife insisted that they move to Buffalo. Not long after, he said, he intercepted a letter which aroused his suspicions and caused him to question his wife's reason for desiring a change of residence.

**Alleged Confession**

Brown is said to have demanded that his wife accompany him to the office of his attorney, George A. Keating, in the Mutual Life Building. She is alleged to have made a sworn confession. Brown is a travelling salesman for a local business concern. He is now living at a hotel.

Jackson is a prominent member of the First Congregational church, Elmwood avenue and Bryan street. Mr. Preisch, with whom he is associated in the lumber business, is the president of the Buffalo Federated churches. Neither Jackson nor Mrs. Brown would comment on the suit last night.

**PUT BIG NEW SHIP ON NIAGARA ROUTE**

Steamer to Have Passenger Capacity of From 4,500 to 5,000.

**MONTREAL, Dec. 18.**—The Canadian Steamship Lines, limited, are making an important addition to their passenger fleet between Toronto and Lewiston.

Plans are now being completed for a steamer having a capacity of 4,500 to 5,000 excursionists. The ship embodies a number of new features such as terraced decks, moving picture theatre, children's playground, dancing pavilion and several other new ideas. She will have a speed of eighteen knots and will be fireproof. Another feature is that all life boats will be recessed at the side of the ship so that, in case of necessity, passengers will step from the deck into the life boats. The management expects to have this vessel on the route early in July next year.

J. Norcross, President and General Manager of the Canadian Steamships, being asked if this will release one of the Lewiston ships for the Hamilton route, stated that the Hamilton service would be improved immediately the facilities for entering the harbor were made safe for vessels of this type.

**WHERE THOROLD-MADE PAPER IS BEING USED**

A recent issue of the Chicago Tribune said: "The net paid circulation of the Chicago Sunday Tribune for last Sunday exceeded 728,000. The demand was greater, but owing to the shortage of white paper the Tribune was unable to meet it. This is the highest circulation in the history of the Tribune, and is the largest circulation of any newspaper in the world sold at the price. Seven hundred and seventy tons of white paper were used in printing the issue. In line with its policy of conserving newsprint, the Tribune requests advertisers in its Sunday issues to restrict the size of their advertisements as far as possible."

This immense quantity of paper is made at the Ontario paper mill at Thorold and the doubling of the capacity of the mill referred to is necessitated by the increase in the requirements of the great paper mentioned in the article quoted says the Thorold Post.

## DOCTOR WARD, The Specialist

SPECIALIST IN THE TREATMENT OF NERVOUS CONDITIONS, NERVE EXHAUSTION, BACKACHE, LUMBAGO, RHEUMATISM, STOMACH AND LIVER TROUBLES, ACNE, SKIN DISEASES, CATARRH, ASTHMA, RECTAL TROUBLES, PILES, FISTULA AND BLOOD CONDITIONS. The knowledge gained from many years' experience in treating diseases just like yours is of much benefit to you and assures the ailing man of prompt relief. When a man knows that he is again feeling well—that he is rid of his ailment—he feels that a heavy load has been lifted from his shoulders. I give every patient the benefit of the knowledge acquired through the long experience of a graduated, licensed and registered specialist, in order to bring about the most satisfactory results in the shortest possible time.

**NERVE EXHAUSTION**

A CONDITION AFFECTING MANY MEN—THE GREAT AMERICAN DISEASE—IT IS BROUGHT ON BY OUR MANNER OF LIVING—OUR WORRY AND HURRY—AMERICANS EXHAUST MORE NERVOUS ENERGY THAN ANY OTHER RACE OF PEOPLE.

There are a great many men who need treatment for their nervous system. These men do not know what is the reason they don't feel right—why they can't work like they used to—why they tire so easily and why they are irritable, nervous, despondent, weak, pale and lack ambition. These conditions require the expert knowledge and treatment of a specialist who has had many years' experience in just such ailments. A specialist learns by experience to know just the right treatment at the right time so that the patient can be dismissed at the earliest possible time. Men affected with nervous exhaustion have no endurance—no ambition—everything they attempt is an effort. Life to them appears as a long, gloomy future. Their appetite is poor and variable—they become irritable, cross and discouraged. They have pains and aches in various parts of the body and there is often indigestion and pains in the stomach. Sleepless, wakeful and restless nights follow.

**RHEUMATIC ALIMENTS**

SCIATICA AND OTHER FORMS OF RHEUMATISM, LUMBAGO, PAINS IN BACK, SWELLING, ACHING, PAINFUL CONDITIONS IN ANY PART OF THE BODY—INFLAMED AND SWOLLEN JOINTS OF LEGS AND ARMS—MANY OTHER SYMPTOMS.

Hundreds of men are suffering with some form of Rheumatism. Many of these men go from day to day suffering untold agonies thinking they cannot be cured. They have tried liniments, rubbing, massage, salts and other treatments, without experiencing any relief, and they are now going through life, thinking they are martyrs to that burden called Rheumatism. If these men could only know how easy it is to get rid of many rheumatic conditions I know they would not suffer another single day. Then all sufferers of rheumatism would be strong and healthy if they could get rid of the condition. Rheumatic patients are nearly all strong and robust before being attacked by this ailment, and therefore it is so hard for the man to understand why he should suffer the agonies of such a condition. When a man gets rid of such a condition he feels that a heavy burden has been lifted from his life, and he starts right out to make up for lost time both in money and pleasure. When a man comes to my office suffering with the above condition he is given a most careful examination, and he is given treatment that he feels is giving him great benefit.
