MATRIMONIAL.—An affair of considerable interest to the young people of this vicinity took place at Clinton on Monday last. This was no less than the marriage of Win. Sparks, of Dakots, son of Alexander Sparks, Esq., Bronson Line, Stanley, to Ida, elgest daughter of John Morgan, Esq., the genial proprietor of the River Hotel, in this place. Mr. Sparks has been a resident of Dakota for some years, and has a comfortable homestead there to which he takes his charming bride. They left for their new home MATRIMONIAL - An affair of conside stead there to which he takes his charm-ing bride. They left for their new home on Taustay, and their many friends here units in wishing them the greatest possi-ble measure of success and happiness.— Seaforth Expositor.

Kintail.

Thos, Fraser has made final arrange ments for starting a cheese factory here. We understand that a site for the factory has been secured from Thos. O'Reilly, and that the work of erecting the building wil be commenced at once. Mr Fraser has already brought down the boiler and part of the other machinery. The Messrs. Ford, of Sargent, Co. Dakota, who have been spending their winter here, left for their home last week. The above named gentlemen have so presented the advantages, or rather wha' they claim to be the advantages, of Dakota over those of Ontario, that a number of our young men have decided to seek their fortunes in Uncle Sam's domain. Steve Austin and Dennis Sul livan were among those who left last

week.

RENTED. - T. Boyd has rented the farm formerly occupied by A. Cowan. TEMPERANCE,—The members of Lee-burn Temperance lodge visited Man-chester lodge last Monday evening, and report a good time.

RELIGIOUS. - Rev. T. M. Campbell, Goderich, who has so ably and earnestly preached in the Presbyterian church, has resigned his charge, and Rev. Mr. Mc. Gillivray, assistant to Dr. Ure, well take charge next Sabbath.

Auction Sale .- A. Cowan, of the 11th con., Colborne, had an aution sale of household furniture, stock and implements last week. He intends removing to Dakota shortly. John Knox knocked down the goods.

Society.—A new society to be called the Anti-Tobacco society has been form-ed at Leeburn, for the purpose of pro-hibiting the use of tobacco in any form. We hope all the young people in the neighborhood will join it. The officers for this term are D. Cummings, prerident: J. Clutton, vice president; R. E. Brown, see y-treasurer.

PLEDGE. - Quite a number of pupils of Leeburn public school have signed the pledge to abstain from the use of alcoholic liquors as beverages, tobacco in any form, and the use of profane lan guage for one year. We hope other schools in the county will take the matter up. We have not the slightest doubt that a great amount of good will be accomplished.

of Huron. We would advise our friend Red. not to wear it just yet a while until the weather a little more favorable for such a costune. Of course this advise of ours may be entirely unneces sary, but then it is cheap. Rud., it may be, is taking time by the forelock and preparing for the warm weather which we may expect during the coming sum-

Once again has that dreaded guest that comes but once to each but comes to all, visited this community, and we are called upon to record the mournful fact of the departure of another of our fellow mortals to that bourne from which there is no return. Miss Eliza Finlayson, to whose decease we have reference had long lain upon a bed of sickness—consumption had laid upon her its fatal hand; but all her troubles, all afflictions, through her long dreary illness she bore with fortitude, and even cheerfulness, without a murmur or complaint. For weeks past the angel of death had been hovering near, and when she passed quietly away on Friday morning 20th uit., it was not unexpected. Miss Finlayson was a general favorite and her death is much regretted by a large circle of friends and acquaintances. The remains were intered in the Loch-alsh cemetery on Monday.
