ST. ANDREW'S DAY in Elora was celebrated by a concert and ball in the Drill Shed. The concert was under the management of Mr. Maitland.

THE SNOW CASES, of Messrs. McCrea, Hawker, and Dr. Clarke, were adjourned until Monday, an objection being raised to the jurisdiction of the magistrates.

EAST WARD ELECTIONS. In speaking of the elections yesterday, we forgot to state that Mr. John Horsman requested us to announce that he did not intend to run again for the East Ward.

"A LITTLE MORE PORK, PLEASE." - One of the Guelph buyers was remarking on Tuesday upon the comparatively small arrivals of dressed hogs on this market, and saying that the buyers could take a much larger supply. The price is now quoted at \$5.50 to \$6.

TWO YEARS in the Penitentiary has been given to Jerry Connors. On Tuesday he appeared before the County Judge to answer a charge of burglary and larceny, particulars of which have already appeared in our columns; with the above result. It is a good thing for both Jerry and the town.

THE MONTHLY FAIR to-day did not amount to much, owing partly to the bad weather, but chiefly to the annual fat cattle fair next week. The stock on the ground were few in number, and of poor to medium quality; what there was however, mostly found buyers at fair prices.

ERAMORA. - There will be an open temperance meeting of the Bellflower Temple, Erasmora, on Tuesday evening next - admission ten cents. A good time is expected. The staple of the evening's programme will be speeches, songs, recitations, &c. The committee think they can give a good ten cents' worth.

THE ACCOMPANISTS. - In our report of the St. Andrew's Concert we inadvertently omitted to refer to the admirable manner in which the accompaniments for the various songs were played by Mrs. Budd and Miss Gossett. A thoroughly efficient accompaniment is an important element in the success of a concert, and these ladies "played their parts" well.

MESSENGER. - Miss De Montford has been giving a series of energetic entertainments in the Corn Exchange during the past week. To say the least, many of the experiments have bordered on the extraordinary, and we may add, that the attractiveness of the entertainments has been much enhanced by the lady-like bearing of the opera. - *Illustrations.* Miss De Montford will appear in the Town Hall, Guelph, on Thursday, Friday, and Saturday evenings.

SPEED LODGE. - At the regular communication of Speed Lodge, No. 180, A. F. & A. M., held on Tuesday evening, the 2nd inst., the following officers were elected for the ensuing year: - Bro. P. Bish, W.M., " C. Pettiford, S.W., " S. R. Moffat, J.W., " Wm. Bell, Treasurer, " Mimmac, Sec., " Wm. Watson, Chaplain, " G. D. Pringle, Organist, " Geo. Smith, Tyler.

THE Y. M. C. A. of Elora, held a meeting on Monday night, and elected the following officers: - J. M. Dunn, President; Dr. Pentland, 1st Vice President; 2nd Vice, Mr. Wm. Kerr; 3rd Vice, Mr. Isaac Modeland; Mr. Ross, Corresponding Sec.; Mr. D. Boyd, Recording Sec.; Mr. M. Douglas, Treasurer; Committee - Wm. Fries, J. Gordon, John McGregor, Udney Wilson, Thos. Frankland, J. Townsend, and Hugh Hamilton. The attendance was good, and the feeling enthusiastic. Six new members were added to the society.

THE HEAVY THAW which began on Tuesday afternoon and continued all night has reduced our streets to a deplorable state of slush, and almost knocked the sleighing into pie. Some of the crossings in town are ankle deep in half melted snow. Everything is in a state of drip, drip, and most of the roofs are already clear of snow, which is also disappearing rapidly from the ground, deep as it was. The luxury of wet feet can now be enjoyed free, gratis, and it is exceeding difficult to get foot bitten. In half melted snow. The luxury of wet feet can now be enjoyed free, gratis, and it is exceeding difficult to get foot bitten. In half melted snow.

HOUSE-WARMING. - On Friday evening last, a pleasant affair came off at the large new brick house of Mr. Thomas Pritchard, Pilkington Township, near Elora. He had determined to give a social for the benefit of the Ladies' Aid Society of the Elora Wesleyan Church. The attendance was very large, and the large house was "crowded from top to bottom" with a throng of happy looking folks. There must have been nearly 200 present, many of whom had been fetched from Elora in teams kindly sent by Mr. Pritchard. There was abundance of delicacies for the comfort of the individual, and everybody had a good time.

SOME BEHAVIOUR. - Only a week ago we recorded the death of Mrs. George Gordon, daughter of Mr. John McNeil, and to-day we have the melancholy duty of recording the death of her husband, who at the time of her death was lying ill of typhoid fever. The sorrowing parents have the hearty sympathy of the community in their sore double bereavement, by which in the space of eight days they have lost their daughter and son-in-law. Both bodies will be brought to Guelph to-morrow (Thursday) and the funeral will take place from the Grand Trunk station, on the arrival of the 2 p.m. express, to the Union Cemetery. The many friends of Mr. and Mrs. McNeil are invited to attend.

ORANOVILLE as a Town. - The Advertiser says: - A requisition has been laid in the last session had been paid, except the village of Oranoville, which was not included in the Wellington and Simcoe bridge - total \$1,575. Up to this time \$2,088 had been expended on boundary line bridges, being \$88 in excess of Council appropriation. It is estimated that the village of Oranoville has borrowed from the Ontario Bank to meet current expenses. Deducing the interest on this from the interest on certain invested county funds, left a balance of \$92. The attention of the Reeves was drawn to the necessity for the collectors' rolls being sent in to the Treasurer promptly by the 15th inst. The report was referred to the Finance Committee.

INCORPORATION OF DRAYTON. The Warden read a petition signed by over a hundred freeholders and householders of the village of Drayton, praying that the village might be incorporated according to law, there being now a sufficient number of inhabitants. It was moved by Mr. Sutherland, seconded by Mr. McGowan, "That Mr. R. Clayton be appointed enumerator in the village of Drayton, and report to this Council on Thursday next; that the clerk notify Mr. Clayton by telegraph of his appointment, and instruct him to take such census according to the boundary of the village plot as laid out by John Molloy, Esq." - Carried.

A Memorial from the Wellington Prohibitory League was read by the Warden, requesting the County Council to appoint a Tavern Inspector for the county in accordance with the late Provincial Act. After some conversation hereon, it was moved by Mr. Massie, seconded by Mr. Leslie, that the petition be laid over until the first meeting of the Council in 1874, when other county officials are appointed. - Carried.

ASKING FOR PROHIBITION. The Warden read a draft of a petition to the Legislature praying the passage of an act to prohibit the manufacture and sale of intoxicating liquors as beverages in the Dominion of Canada. It was moved by Mr. Massie, seconded by Mr. Stevenson, that the Warden and Clerk be instructed to sign this petition on behalf of the Council, and forward it to the Secretary of the League. Mr. Chadwick said he did not intend to move an amendment, but he thought that the resolution was enacting a farce. If the County Council were polled, he did not think it would carry a prohibitory law. But it was getting towards January which accounted for it. (Laughter.) Mr. Stevenson thought the Deputy-Reeve of Guelph was judging other people by himself. (Laughter.)

INCORPORATION OF CLIFFORD. The report of Mr. D. Mattison, census enumerator of Clifford, was read by the Warden. It reported that he had taken the census of the village, and found that it contained 826. Other members of the Council concurred in this view, and after some conversation the matter was left over in order that the precise legal powers of the Council in reference to it might be ascertained.

DIVISION COURT CLERKS. Mr. Chadwick presented a petition from the Division Court Clerks of the county, asking that certain books and blanks be furnished by the county, as they had hitherto had to pay for them out of their own pockets. - Referred to the Finance Committee, after an amendment had been put and lost which would have laid it over until next meeting. Mr. Leslie had objected to its being referred to the Finance Committee because he was both a clerk of the Division Court and a member of that committee.

COURT HOUSE CARTAGE. The Warden called attention to the death of W. Nichols, court-house cartage, which had happened since last meeting of the Council. Mr. Nichols had fulfilled the duties of the post since then, and was now an applicant for the situation. It was agreed to consider the matter on Wednesday.

DARING THEFT. - In Hamilton on Monday evening, just after dark, a young man entered Mr. D. Gleason's shoe store, and throwing off a pair of old shoes asked to try on a pair of new ones. A \$5 pair were an exact fit. However, while he still stood in the new ones, he suggested the trying on of another pair hanging in one corner of the shop. While Mr. G's back was turned, he opened the door, slammed it behind him and disappeared down the alleyway, fully pursued by Mr. Gleason. The thief, however, made good his escape, leaving his old boots as mementoes of his daring robbery. Look out for more such fellows.

THE MARINE DISASTER. Further Particulars.

London, Dec. 2. - Eleven of the survivors from the Ville de Havre departed for Paris to-night. During their short stay in London everybody was in comforting the survivors and marks of affection were evinced. Store keepers refused to accept payment, these offers were resisted with difficulty. The steamers agents provided funds, and White, Morgan, Brown and others, offered a home to all. This was unnecessary, as several of the surviving gentlemen saved a sufficiency of funds - Mr. Bishop had £300 in English notes and gold. It is a remarkable fact that several others seemingly had ample time to dress completely. Bishop's watch stopped at 23 minutes after two, and Cramer's watch stopped exactly at half-past two. This leads to the supposition that much valuable time was lost in lowering the boats, owing to the utter absence of discipline. After the collision no orders were given, officers were distracted, each helped himself. This fact is undisputed. The long boat contained no first-class passengers; sailors and coal boys rushed and took possession, all rescues being effected subsequently. The Scotch ship was prevented from preparing immediately for the rescue from its ignorance as to whether serious damage was done to the steamer. The Lockhart boats were not lowered until the steamer had gone down. No life preservers were in their proper place.

The story of the duel between Generals Mantuffel and Von Goebin is now said to be without foundation.

Fall of a New Brick Building. (Special Telegraph by Dominion Line.) ARTHUR, Dec. 3. A new brick building owned by Murphy & Bros., which was nearly completed, fell this morning. The building was forty by sixty-two feet and two stories high. A laborer named McGinn had his arm broken, the others escaped unhurt.

Fire in Ayr. A MAN BURNED TO DEATH. (Special Telegraph by Montreal Line.) Ayr, Dec. 3. The Nithvale Flour Mills belonging to James Piper, Esq., were discovered to be on fire about one p.m., and were entirely consumed. Archibald Watson, foreman moulder to John Watson, Ayr, in trying to save property was suffocated and burnt to death. The oatmeal mills were only saved by the extreme exertions of the firemen and inhabitants. The people deeply regret the loss of one of our most respected citizens. Loss on mills about \$12,000; scarcely any insurance.

POLICE COURT. (Before the Police Magistrate.) Wednesday, Dec. 3. John Gore was charged with a breach of By-law in allowing a heifer to run at large. The animal having run away from the water the case was dismissed.

West Garafraxa. School Section No. 6 had its half-yearly examination last Friday. The trustees, Messrs. Fessenden and Mullen, Ferguson, were present, also many of the parents. The result of the examination was very creditable to the teacher, Mr. Alex. Pettit. The trustees, visitors, and others dined together in the school room at noon.

MAGIC LANTERN ENTERTAINMENT. - This entertainment in the Town Hall last night, in aid of the Congregational Sabbath School, was attended not only by the parents and friends of the children, but by a number from other denominations. The various trials of Bunyan's "Christian" were illustrated in his progress to the Celestial City, with descriptive readings by Rev. Mr. Manahan. The children, led by Mr. Alchibin, Mrs. Budd presiding at the organ, sang appropriate pieces at the end of each scene, which added greatly to the enjoyment of the proceedings. Two pieces were also well rendered by Mrs. Hodskin and Miss Bouth, the children singing chorals. The meeting, highly satisfied with the entertainment, dispersed after singing the doxology.

ORANOVILLE and the GOVERNMENT. - At the regular monthly meeting of L. O. L. No. 1184, Campbellville, held on Monday evening, Dec. 1st, a resolution was moved by Bro. A. Davidson, seconded by Bro. J. Stansh, in reference to the reward of \$5,000 offered by the Ontario Government for the apprehension of Louis Riel, Scott's reputed murderer; protesting against Riel being permitted to take his seat as a member of the House of Commons, and calling upon the Reform Government, now led by Mr. Mackenzie, to fulfil their pledges to the people of Canada by bringing said murderer to justice. Carried unanimously. - Com.

MOOREFIELD. - Business has been very brisk here of late; the only drawback at present is the want of some others to engage in the purchase of grain and pork. There is also a scarcity of stonemasons, but this will be partly overcome when Mr. J. C. Robinson's new storehouse is completed. - Mr. Tracy has moved into the hotel known as Schmahorn's. He is a "good fellow," and is doing a capital business. - Mr. R. T. Johnston, tailor, has rented a room in Seriff's brick hotel. He is an excellent workman, and is also doing a good business.

A public meeting was held at Thornbury on Monday night, at which resolutions were passed to bring a bill before the Parliament of Ontario, at its next session, to form the East Riding of Grey into a new County for municipal and judicial purposes, and to give proper notice of the same intent in the Canada Gazette.

EXTENSIVE BURGLARY. - On Monday night premises of W. H. Hobden, merchant tailor, Georgetown, was entered by burglars, and a quantity of cloth and ready-made clothing abstracted therefrom. No clue to the thieves.

The St. Andrew's Society of St. Catharines is considering the advisability of celebrating the anniversary of Burns, on the 26th of January, by a ball and concert in the Town Hall.

MANUFACTURE OF COCOA. - "We will now give an account of the process adopted by Messrs. James Epps & Co., manufacturers of diabetic articles, at their works in the Easton Road, London." - See article in Cassell's Household Guide.
