TEN PER CENT NET BURNSLAND You can easily make this by investing in Burnsland. Why We intend to make this one of the nicest moderate priced residence districts in the city and our agent is now starting a new and beautiful bungalow. We do not intend to allow any shacks to be erected and when you take into consideration that we are on street car line, with water, natural gas, electric lights and sewer, we think you will agree with us, that there is no other addition in Calgary where lots can be purchased at the prices we are asking.

Think We can sell you a lot from \$500 to \$1250 according to location, and put you up a bungalow if you so desire, or should you care to invest in a number of lots and erect bungalows we can rent them for you at a price that will pay you from 14 to 17 per cent gross. There has never been an offer of this kind before in Calgary. Call and see our agent and be convinced that this is no gamble but plain truth. We have many plans and specifications that we will be glad to show you.

Distance From City We are only a little over one mile from the post office, and one and one-half mile inside city limits. Contractors Here is a chance for you to get busy and invest in some of these lots. We can also sell you manufacturing sites on C.P.R. or C.N.R. Astley & Shackle, Ltd. 105a Eighth Avenue West.
