COAL INTERESTS ADVISE PINCHO **LAST CONCESSIONS**

Parties Meet at Harrisburg in Attempt To Settle the Dispute.

DECISION EXPECTED

Associated Press Despatch.
Harrisburg, Pa., Sept. 6.—Anthracite mine operators and officers of the miners' union, who today resumed conferences with Governor Pinchot for discussion of possible terms of settlement of the differences which caused suspension of operations in the hard coal field September 1, adjourned at 12:50 until 2:30 o'clock this afternoon, Leaders of both sides reported little change in the situation.

Special to The Advertiser Harrisburg, Pa., Sept., 6.—Union and operator delegates who are conferring here privately with Governor Pinchot in an effort to settle the anthracite strike—now in its sixth lay-have submitted their "ultimate This was the announced position

This was the announced position of both parties today as they re-assembled, in the capitol for a final attempt to reach a settlement. While the hopeful atmosphere of the delegates was somewhat clouded with news suspicions, Pinchot believes "progress has been made," and he still holds confidence of success. Expect Decision.

The final word of the two sides may be said at the conference today and a decision one way or another is expected shortly. The ultimatum of the operators is that the strike must

Mortgage Sale of City Property

Under and by virtue of the power of sale contained in a certain mortgage, which will be produced at the time of sale, there will be offered for sale by public auction, subject to reserve bid, on Monday, the 24th day of September, 1923, at the hour of 3 o'clock in the afternoon, at the auction rooms of D. H. Porter, 110 Dundas St., London, the following property: afternoon, at the auction rooms of D. H. Porter, 110 Dundas St., London, the following property:
FIRST: Lot 8 and the west twenty feet of Lot 7, on the south side of Langarth St., Block "L." Leaders say privately they have not abandoned their demand for a full check-off, but the operators have been given to understand that the union will not press the plea if the other specifications are accepted. hawk left Tsing Tao early today with a cargo of rice and flour for Y6kohama and Tokio.

Relief Commission Leaves. The first relief commission from Peking left for Japan early today. Wages Chief Dispute.

The chief point in the dispute is wages, and if one side or the other gives in, there is hope that the other points may be successfully ironed out. While the governor has estimated that 10 per cent increase would force only a rise of 60 cents a ton in the cost of coal to the consumer, Samuel Warriner, chairman of the operators committee, figures it will mean 75 cents. A second contingent of Ame from Ching Wang Tao to search for Miss Marian Halsey, secretary of the Rockfeller Hospital here; Miss Esta McMillan, registrar of the same in-stitution; Miss Helen Downes, an instructor; Dr. and Mrs. W. T. Councilman and their daughter, and Dr. R. E. McCullough and his wife, all of ationing in Japan.

The Japanese legation here announced today that all money contributed by Chinese for relief work is being used exclusively to alleviate the sufferings of Chinese in the earth-

RELIEF WORK PROCEEDS. Associated Press Despatch.

aging outlook on the situation in Japan was received today at the for-eign office from the British consul in Kobe, who said the Japanese war ofthe local authorities to be intact. Previous reports were to the effect fered severely from the earth shocks

and subsequent fires.

The consul's cable message that two persons who had walked from Tokio to Yokohama confirmed the pupils on their return to the institutions.

Mayor Wenige felt that something should be done, and called the attention of Trustee Edwin Smith to the matter, who stated that the flying of flags was up to the inspector. n the latter city, but their account of the situation in regard to the for-eigners in Tokio was encouraging. Altogether about 400 British refugees have arrived at Kobe from Yokohama. British eyewitnesses state that the damage to the central and official business districts in Tokio is not so great as was at first believed, and it now seems possible that the British embassy building and conulates in the capital may have bee

A despatch received in London from a British naval officer in Yoko-hama says all the foreign residents in Tokio escaped, but that 70 were killed in Yokohama. This is considered a plausible estimate of the proportion of the loss of foreign lives in the two cities, although it is by ne means complete, judging from obtained by the visiting team. He

Secretary Reports.

Coincident with the good attendance at the local public schools comes also the report of Father Brisson, secretary-treasurer of the separate school board, showing a splendid enrollment at the Catholic schools of the city.

board.

The encouraging reports regarding the safety of the foreigners, however, give little cause for hope of the escape of many among the millions of Japanese who lived along the shores of Tokio Bay, from Yokosuka on the southwestern shore of the bay, near the entrance, through Yokohama, Kanagawa and the city of Tokio to Chiba, on the eastern side, and along the shores of Sagami Bay, on the western side of the Izu Peninon the western side of the Izu Penin sula, where many foreigners as well as Japanese spend their summers in the seashore colonies.

will be found to have been as heavy as any other part, because of the popularity of the resorts such as Kamakura and Hayama and the certainty that the tidal waves must have done tornible. done terrible damage there, as the center of the earthquake was in the coean bed 60 miles to the south.

Communication Severed. It is impossible to estimate accurately the loss of life, and figures are likely to be inaccurate or incomplete for days and perhaps weeks, but reports received here indicate that the greatest losses were in the poorer districts of Tokio and Yokohama and in the intervening industrial suburbs, where tidal waves and fires are certain to have taken a heavy toll among the thousands unable to escape to

the thousands unable to escape to higher ground.

In Tokio more than a million people lived in closely-jammed wooden structures in the low-lying districts and along the Sumida River, their homes only a foot or so above the high tide level of Tokio Bay and the tidal waves resulting from the seismic disturbance of the ocean bed may have drowned thousands or even hundreds of thousands as the early reports stated.

ports stated.

The Japanese embassy here has received scant news of the disaster, and this merely tells of the earthquake, fires and tidal waves. The embassy is still cut off from Tokio, and interruption of communication between the Japanese foreign office and its representatives abroad is unparalleled since Japane hereme paralleled since Japan became a
