## CAR FLEET READY FOR COAL DEMAND

61,370 Conveyances Available When Fuel Shortage Cry Is Raised.

### DANGER REMOTE

By J. C. ROYLE, Copyright, 1925.

Washington, Oct. 21.—A total of 61,370 surplus coal cars is now available to shoot supplies of fuel into districts threatened with a coal shortage. This fleet is large enough to handle 3,065,500 tons, in addition to the present heavy movement of bituminous coal. Thousands of these reserve coal cars are now concentrated at Harrisburg, Lancaster and Altoona, Penn., at Columbus, Portsmouth and Cincinnati, Ohio, at Russell and Louisville, Ky., and at Roanoke, Va. They are in readiness to move into the non-union bituminous coal fields within 24 hours whenever a sudden demand for fuel develops.

Coalmen and railroadmen declare that the possibility that anyone in the region affected by the anthracite strike need go cold this winter is a remote one, and they make this statement irrespective of the possibility that a strike may be called by President Lewis of the United Mine Workers in the bituminous as well as the anthracite fields.

## THUGS LEAVE NO TRACE AFTER STEALING \$1,700

Three Masked Bandits Bound and Gagged Household—Escape With Loot.

Canadian Press Despatch. Toronto, Oct. 21.—Up till a late hour tonight the county police authorities had found no trace of the three armed and masked bandits who held up, bound and gagged Frank Burrows, his wife and their maid in their bungalow home at Long Branch, a Toronto suburb, early yesterday, and stole jewelry valued at about \$1,500 and \$200 in cash. The bandits gained access to the bungalow on the pretext that they were old friends of Mr. Burrows, who was preparing to retire after a party at his house.

Answering a knock at the door, he was greeted with: "Hello, Tug," an old nickname. Pressing inside, the bandits confronted him with their revolvers, and forced him to lie on a library table, where he was bound and gagged. One of the bandits stood over him while the other two entered the rooms of his wife and maid and bound them together.

For more than an hour the three bandits ransacked the house in their search for valuables, while a fourth bandit sat in an automobile outside and a fifth was on the lookout at the back door of the bungalow.

## CHINESE SITUATION QUIET AS ARMIES WITHDRAW

By J. RUSSELL KENNEDY, Copyright, 1925. Tokyo, Oct. 21.—The Japanese consul-general at Nanking reports the situation there fairly quiet, with the Mukden troops withdrawing northward and Sun Chuan-fang's troops proceeding to occupy Nanking peacefully. The consul reports that Chang Tso-lin evidently will withdraw as far as Tsinan-fu (Shantung), but if pursued will make a stand there.

Wu Pei-fu, former Central China overlord and dictator to Peking until overthrown by the defection of the "Christian General," is reported to have announced that he will establish his headquarters at Hankow as the capital of the allied provinces south of Peking. This gives China proper three capitals, Canton, Hankow and Peking.

He had gone out earlier in the day to attend to chores about the barn. No reason can be ascribed for his action. The late Mr. Fitzgerald was about 50 years of age, and has been a resident of this section for practically all his life. He is survived by his widow and six children.

## Long Point Duck Grounds Ruined By Chicago's Canal

Special to The Advertiser By Staff Correspondent

Simcoe, Oct. 21.—The Chicago drainage canal is the root of still another evil. The authorities there are being severely censured by sportsmen in this district for the destruction of a part of the choicest duck-shooting grounds along Lake Erie.

The marshes of Long Point have been for decades the mecca of duck-shooters from many parts of Canada and the United States. When they reach their destination this fall they will discover that innumerable ponds and marshes on Long Point where thousands of ducks have been

accustomed to feed in times past, have been robbed of their last vestige of water. To the lowering of lake levels by the Chicago theft is attributed this lamentable result.

It is expected that if the nuisance continues unabated great numbers of American millionaire sportsmen who annually visit Long Point will be greatly diminished. Such a consequence would be a sore blow financially to Norfolk county, as many thousands of dollars are left here each fall by the visiting sportsmen.

The affair promises to lend added impetus to the demand that the Chicago drainage canal be abolished. If it is not destroyed, Ontario's finest duck-shooting area may be ruined.

## ONE CASE LISTED AT ELGIN ASSIZES

Non-Jury Action Centers On Sale of House and Lot Under Mortgage.

Special to The Advertiser. St. Thomas, Oct. 21.—There is one case listed for the session of the supreme court here next week. It is a non-jury civil action entered by Robert Frederick Young, former taxi driver, of the city, William Young and Martha Young versus William E. Idsardi, real estate agent and trustee, city.

The litigation involves a house and a lot acquired by the plaintiffs in March, 1922, which they claim, involved a mortgage of \$1,700, while the defendant claimed the mortgage was \$2,140. The plaintiffs declined to pay the amount, and the defendant exercised the power of sale.

The plaintiffs are asking for an injunction restraining the defendant from offering the property for sale, an accounting to ascertain the true amount of the mortgage and an order mandamus compelling the defendant to discharge the mortgage in question on payment of \$1,495.16 with subsequent interest. McEvoy & Henderson of London appear for the plaintiffs, and Hugh C. Cameron for the defendant.

**Two Are Fined.**  
Edward Segal was fined \$15 and costs today for allowing a truck to be operated without a license, and James Stacey a similar amount for driving the truck when not licensed.

**Try Big Engines.**  
It is reported that three big locomotives from the Jackson shops at Michigan will operate out of St. Thomas on the Michigan Central railroad in connection with the experiments being made in operating through trains from Windsor to New York.

**Charge Withdrawn.**  
The charge preferred against H. J. Richmond, Jun., of Toronto, by Roy Higgins, merchant of the city, of obtaining money under false pretences, was withdrawn. It seems there was some misunderstanding about the section of an advertising clock beside the city hall.

**Returns Home.**  
Rev. Father Donoghue, who has been ill at the St. Joseph's Hospital, London, with appendicitis, returned to the Holy Angels rectory today fully recovered.

**James Shaver.**  
The death took place at the Memorial hospital today of James Shaver, aged 81, a resident of Malahide. The funeral will take place Thursday afternoon from the undertaking parlors of P. R. Williams and Son, Interment will be in the Orwell cemetery.

**Peggy Elgar.**  
Many friends of Mr. and Mrs. Frederick Elgar, Windsor, will learn with regret of the death of their baby daughter Peggy, who passed away Tuesday afternoon at the family residence, Pierre Avenue. The child was born four years ago in Flint, Mich. She took sick two weeks ago, and grew rapidly worse. Survivors are the parents, a brother aged 7 years, and the grandparents, Mrs. Elgar was formerly Miss Ena Thurling, city. Mrs. Thurling, the child's grandmother, has been at the bedside during the last week, and the funeral leaves tomorrow for Windsor. Mrs. W. A. Coulter, St. Catherine street, will also attend the funeral on Thursday.

## WINDSOR DRIVER CLEARED OF BLAME IN DEATH CASE

## SAMUEL GIDLEY, BLYTH, SUCCEMBS TO STROKE

Special to The Advertiser. Blyth, Oct. 21.—Samuel Gidley, aged 65, and one of the most prominent residents of Blyth, died this morning after a two-year illness following a paralytic stroke. During his illness he lost all power of speech.

For many years he conducted a clothing and furnishing business, and was one of the best-known men in the district. He was leader of the Blyth band and the Methodist church choir. He has been a resident of this community for over 40 years.

In 1881 he was married to Rebecca Tamen, who survives him, with two sons here, and Russell of the Metropolitan Life Insurance Co., London. He leaves a son, A. McVittie, four daughters, Mrs. D. Somers, Wingham; Edythe of Toronto and Pearl at home; his father, who is 89 years of age, and resides in Exeter.

The funeral will be held under the auspices of Blyth lodge, No. 303, A. P. and A. M., the service at the home being taken by Rev. Dr. Barnby of Queen street United church. Interment will be made in Union cemetery.

## Public Function For Last Trolley

Beachville Citizens May Mark Closing of Ingersoll Line.

Special to The Advertiser.

Beachville, Oct. 21.—Beachville residents view with regret the closing of the trolley line which has been operated through the town since connecting Ingersoll and Woodstock, even though it is to be replaced with a modern bus service. It is expected that the change will take place in about two weeks. The street car line has been closely associated with the life of the village, and when the line was opened there was quite a ceremony. There is now some agitation to mark the passing of the last car through the village.
