### Plan For The Summer

We will not give a summer vacation this year as a number of students from long distances would be inconvenienced thereby.

Then, our summers are so deliciously cool that St. John is a harbor of refuge during the hot season, and study just as pleasant as at any other time. Students can therefore enter at any time.

London, Aug. 18.—The Express says "There is little doubt that a great battle is now going on in Belgium between the Germans and the Belgians and French allies."

A Brussels despatch to the Mail says, "Sharp fighting has been in progress since Monday morning."

That the Germans are forcing their way through Belgium is indicated by the Brussels report that German cavalry is approaching the Belgium capital, that measures for the defense of Brussels are being hastened and that the seat of Government has been removed to Antwerp.

The British official press bureau announced that any action which Japan may take against Germany will not extend beyond the China Seas.

Several Austrian army corps have invaded Russia, and the Russian advance in Galicia has been checked.

Brussels admits that the French casualties in the fighting between Namur and Dinat were heavy, as the Germans were strongly entrenched and their artillery played great havoc.

The British official news bureau says the French fleet in the Mediterranean has made a sweep up the Adriatic as far as Catard.

Montenegro troops have crossed the Bosnia frontier, and occupied the town of Behaintza, after a fierce battle they are also credited with capturing eight Austrian block houses and several villages.

## MAIN GERMAN ARMY NEAR LUXEMBURG

"As a result of a series of careful aeroplane reconnaissances, it is believed by the Belgian leaders that the main part of the German army is now concentrated in Luxembourg."

"The German plan revealed in the latest troops movements indicates an approaching attempt to break through the centre of the French line and deal a crushing blow at the most vital spot in France."

## FRENCH DRIVE GERMANS WITH HEAVY LOSS

London, Aug. 17.—London Times correspondent describing fighting at Drinant says French drove Germans out of town with heavy loss.

Further successes by French in Vosges mountains are reported.

## A POSITIVE CURE FOR RHEUMATISM

Hundreds of People Have Found "Fruit-a-tives" Their Only Help

### READ THIS LETTER

Superintendent of Sunday School in Toronto Tells How He Cured Himself of Chronic Rheumatism After Suffering for Years.

55 DOVERCOURT ROAD, Oct. 1st, 1913.

"For a long time, I have thought of writing you regarding what I term a most remarkable cure effected by your remedy 'Fruit-a-tives'. I suffered from Rheumatism, especially in my hands. I have spent a lot of money without any good results. I have taken 'Fruit-a-tives' for 18 months now, and am pleased to tell you that I am cured. All the enlargement has not left my hands and perhaps never will, but the soreness is all gone and I can do any kind of work. I have gained 35 pounds in 18 months."

R. A. WAUGH

Rheumatism is no longer the dreaded disease it once was. Rheumatism is no longer one of the "incurable diseases". "Fruit-a-tives" has proved marvellous powers over Rheumatism; Sciatica, Lumbago—in fact, over all such diseases which arise from some derangement of stomach, bowels, kidneys or skin.

"Fruit-a-tives" is sold by all dealers at 50c. a box, 6 for \$2.50, trial size, 25c. or sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa.

## SAINT JOHN EXHIBITION

Will Be Held September 5th to the 12th.

Late advices from the Saint John Exhibition are to the effect that everything is proceeding satisfactorily and that the show will be held from Sept. 5th to the 12th, as planned. The fact that the Nova Scotia Provincial Exhibition has been called off will make the Saint John more than ever the chief attraction of the season. While the conditions occasioned by the war have caused one or two exhibitors to withdraw, owing to the fact that it is impossible for them to get some special goods from Europe, their places have quickly been taken by firms anxious to avail themselves of this opportunity and others still remain on the "waiting list." Word has been received from the Amusement men in New York that everything in this department will be carried out according to contract, in fact every department of the Exhibition will be complete and as far as known unaffected materially by the European situation. The various transportation companies will have their cheap rates ready for publication in a day or two, whereof information may be obtained from the Station Agent.
