Mr. Joseph Seagram's string of horses in training reached their spring quarters last night et Little York. There were 22 in the lot, under charge of Trainer Walker.

Buckrene's victory in the Arkansas Derby will no doubt induce a lot of the plungers to back bim for the American Derby last year, being the winner of the Arkansas Derby.

Three of Mr. Hendrie's brood mares presented him with foals at Valley Farm on Saturday. Finnam Haddie dropped a bay filly to Strathspey, Scotch Reel a chestnut colt to the Montreal stallion Redfellow, and Royal Bess, a bay filly to Strathspey, Scotch Reel a chestnut colt to the Montreal stallion Redfellow, and Royal Bess, a bay filly to Strathspey. —had almost arrived to claim the babe, Medicines and ordinary infant nourishments which were being used proved useless. Fortunately for the mother to use Lactace Food at once, which, she assured the weaping mother would be relished by the baby. A large fifty-cent tin was at once procured from the nearest drug store, and when a small portion had been prepared it was fold to the child. For a week regular feedings were daily administered, and it was noticed that strength and vitality were returning. Before the fifty-cent tin of Lactated Food was finished the darling baby was pronounced out of danger and fast gaining in flesh. To-day the little one is a picture of life and happiness. The mother frankly acknowledges that Lactated Food saved her darling's life.

Every mother in Toronto who has a weak and sickly babe can meet with the same success if she uses Lactated Food. It is the only food in the world that "saves babies' lives."
