

from the royal visit, as the Sovereign is to be accompanied by a long train of the English nobility, the yacht clubs, and the naval squadron under the command of Sir C. Napier. Her Majesty and the Prince are to proceed to the south, to visit the famed lakes of Kilmaree, to do justice to the varied and picturesque scenery of which would require a sojourn of at least a week. There are several noble and stately mansions in the vicinity which will be doubtless placed at the command of the royal party.

**Chair of Clinical Surgery**—We understand that Professor Syme has been allowed to withdraw his resignation of the chair of Clinical Surgery in our University, and that he will return to Edinburgh next month, and resume his professional duties next session.

**Knox Monument**—The Rev. Mr. Jaffray states, that the funds placed at the disposal of the Committee on the Knox Monument in Edinburgh, amounting to about £3000, have enabled them to secure all the property at Knox's corner, in the Canongate, which is required for their purposes, including the ancient domicile of the Reformer.

**Sudden Death**—A meeting of the Free Presbytery of Dalkeith, with the elders and members of the Free Church, Musselburgh, was held on Tuesday forenoon, relative to the appointment of the Rev. G. R. Glass to visit America. Dr. Brown, one of the elders, suddenly expired, after reading a speech against the appointment. Disease of the heart, with which he has long been affected, is said to have been the cause. As he was a very zealous, active, and benevolent member of the church, his loss will be deeply felt by the congregation.

The news from Italy is comprised in a narrow compass. The Upper and Lower Chambers at Rome have voted for the continuance of the war; and the celebrated Gen. Pepe has published an order of the day dated the 18th, announcing that the Venetian Government, with the consent of Lombardy and the Pope, has placed him at the head of all the troops there assembled from all parts of Italy, to wage war against the Austrians, and recommending discipline as the most necessary element to insure victory. No recent hostile movement had taken place of late between the contending armies.

A letter from Hamburg of the 29th ult. states, that it was reported peace had been concluded between the Danes and the German Confederation.

Mr. Coxwell, an English aeronaut, has made a perilous ascent at Brussels. He had the alternative of allowing the gas to escape from the balloon after it had been inflated for his first voyage or of ascending during a fierce gale; he chose the latter, and with a friend was hurried fifty-five miles in twenty minutes. The descent was safely made, though with difficulty.

**FIRE**—The building occupied by W. R. Snow, as a Printing Office, and N. R. Burnham and Geo. F. Wadsworth, as Dry Goods Stores, in Calais, was discovered to be on fire about 2 o'clock on Saturday morning, 15th inst. The fire bells were rung, and the engine was soon on the spot. Every effort was made to save the building, but it was unavailing. The building was entirely consumed, together with the whole contents of the Printing Office, and Mr. Burnham's Stock of Goods. Mr. Wadsworth lost, comparatively little by the flames, but his goods were greatly damaged by the smoke, and water from the engine. The fire broke out in the store occupied by Mr. Burnham. Mr. Snow lost everything he possessed in his business line, having no insurance. The others were fully insured. The fire is supposed to be the work of an incendiary.—[Com. Gazette.]

TRUSTEES—(with a Seat at the Board)—  
 Wm. Wright, R. F. Hazen, and H. Chubb, Esqrs.  
 DIRECTORS:  
 Charles Drury, George Wheeler,  
 Charles E. Raymond, James Poyntz,  
 William C. Doulton, John C. Littlehale,  
 John H. Gray, Samuel Haythorne,  
 James Agnew.

BANKERS—Bank of New Brunswick.  
 SECRETARY & TREASURER—Mr. C. L. Street.  
 George D. Street, Esq. Agent, St. Andrews.  
 Alexander Campbell, Esq. Agent, St. Stephens.

THE SOCIETY is established on a mutual, economical system—the most approved in England; and founded on a basis so sound as to give the most effectual security to its members.

THE DESIGN OF THIS SOCIETY IS—  
 First—To enable persons to become their own Landlords, and purchase Freehold or Leasehold Property, by advances made by the Society (£200 positively advanced for £36 a year for eleven and a half years, which sum pays both principal and interest—Other sums in proportion.)  
 Secondly—To provide a safe and profitable Fund for SAVINGS, or Investments for small or large sums of money. (This Society offers opportunities in this respect which no other Institution in this Province can do;—Savings Banks only pay 5 per cent. whereas this Society pays 6 per cent. Compound Interest.)

THE OTHER IMPORTANT ADVANTAGES ARE—  
 1st—No money is lent but on security on Real Property.  
 2d—New Members are admitted up to the time the Society will end, with equal proportionate advantages.  
 3d—Any Member may withdraw the amount of his Share at any time after the first year, with the compound interest thereon. Shares may be transferred at any time.  
 4th—Members may invest their Money in PAID UP SHARES, which will necessarily be doubled £20 at the commencement being worth £120 at the conclusion.  
 5th—Mortgages can be repaid at any time with power of sale.  
 6th—The Accounts and Bank Book are open for the inspection of members at every monthly meeting.

7th—Shares given by all Officers of Trust.  
 The Board of Directors in St. John have the GENERAL MANAGEMENT of the Society—but for the purpose of accommodating persons resident in other parts of the Province, BRANCH OFFICES, or Agencies, are formed—where Shares can be obtained and the payments made, in the various districts; and Local Boards of Management will be established in some of the number of Shares taken in any district under its auspices.  
 The Funds are secured from the Monthly Subscription of the Members, and also from Monies invested in Paid up Shares, which will always ensure ample means for meeting the advances required.

The Patents are certain, because the amount paid by the borrower, by an advance, must necessarily fall on the lender.  
 The Expenses of the Society are small, at the Officers are gratuitous, with the exception of the Secretary and Treasurer.

The Fees and Fines form a Contingent Fund out of which the expenses are paid, and the balance which will be very considerable, will go into the 2d Fund, which will lessen the duration of the Society.

Every information, with copies of Prospectus, Rules, &c., can be obtained on application at the Office of the Society, or at the Offices of the Agents.  
 By order of the Board,  
 CHARLES L. STREET,  
 Secretary & Treasurer  
 Prince William street, St. John, N. B.  
 December 25, 1847.
