

MAN.

hull, and the helm ;
I could submit to
sels, we were often
wilful disobedience
rinting and station-

er late than never,"
elf, and, humiliating
lded to my better
s of one who loved

e first step towards
o the brave, patient,
on, and on, and on,
ation, and to victory
through the clouds
out into the clear,
oy and usefulness.

urpose, as the read-
er half is being filled
of noble resolves, for
me, to the glory of
ressible satisfaction.
