

not only pre-supposed and postulated an intelligent Creator, but also pre-supposed and postulated the actual interfering presence of a personal Creator at every stage of its operation.

A gentleman at Bristol writes:—"For six years a decayed tooth prevented mastication on the side it was situated, as well as causing many sleepless nights; but having used Bunter's Nervine, I am not only relieved of the most troublesome of all pains, but can now use the tooth without the slightest inconvenience."

It is the duty of magistrates to provide for the teaching and instructing of their subjects in the good knowledge of the Lord. This Christ doth; and this Gospel ministers also do; they should teach the people what the Lord hath taught them.

HOW TO PREVENT DISEASES.

THE GREAT QUESTION OF THE DAY.—How to prevent premature death from disease, or prevention of the propagation of infectious diseases. Startling but true. How long are we to be left in sanitary matters at the mercy of the ignorant and careless? The Times states that 100,000 cases annually of illness from typhoid fever alone may be set down as preventable. Upwards of

500 000 PERSONS HAVE DIED of this preventable disease since the Death of PRINCE ALBERT, the Great and Good.

UNDER the Mosaic law the nations were in a higher position in sanitary matters than the world to-day, while their appliances were rude in comparison to ours.

LORD BEACONSFIELD justly stated the other day that

"THE health of the people is really the foundation upon which all their happiness and power as a State depend." For the most practical mode of preventing disease and premature death see a large illustrated sheet given with each bottle of ENO'S FRUIT SALT. The information is invaluable. As an invigorating summer beverage use Eno's Fruit Salt (prepared from sound ripe fruit). It is the best preventive and cure for biliousness, sick headache, skin eruptions, impure blood, pimples on the face, ziddiness, feverishness, mental depression, want of appetite, sourness of the stomach, constipation, vomiting, thirst, etc., and to remove the effects of errors of eating and drinking.

INQUESTS.—A startling array.

PREVENTABLE DEATH.—Why should fever, that vile layer of millions of the hum in race, not be as much and more hunted up, and its career stopped, as the solitary wretch who causes his fellow a violent death? The murderer, as he is called, is quickly made example of by the Law. Fevers are almost universally acknowledged to be preventable diseases: how is it that they are allowed to level their thousands every year, and millions to suffer almost without protest? The most ordinary observer must be struck with the huge blunder. Who's to blame? For the means of preventing premature death from disease read a large illustrated sheet given with each bottle of ENO'S FRUIT SALT. The information is invaluable. The Fruit Salt (one of Nature's own products) keeps the blood pure, and is thus of itself one of the most valuable means of keeping the blood free from fevers, blood poisons, liver complaints, etc., ever discovered.

WHAT every TRAVELLING TRUNK and

HOUSEHOLD in the WORLD ought to contain a bottle of ENO'S FRUIT SALT. Without such a simple precaution, the jeopardy of life is immensely increased.

AS A HEALTH-GIVING, Refreshing Cooling, and Invigorating BEVERAGE, or as a Gentle Laxative and Tonic, in the various forms of indigestion, use

ENO'S FRUIT SALT.—M.D. (Edin.) and M.R.C.S. L.A.C., London, writes:—"I am much pleased with your Fruit Salt, having tried it on myself. Your theory and remarks are most reasonable. Having nearly died of typhoid when studying at College, being only one out of 16 who recovered. I mean to go in well for purifying the blood. Though I am 63 I have not the least doubt it will be very serviceable to me."

ENO'S FRUIT SALT.—"Your Fruit Salt is beyond all praise. I wish you would sell it here; it would make its own way by its own merit."—T. A. Somerby, Councillor-at-Law, No. 20, Old State House, Boston, U.S.A.

ENO'S FRUIT SALT.—Messrs. Gibson and Son, Chemists, of Hexham, say:—"Since we introduced your Fruit Salt at Hexham, a few months ago we have sold upwards of 1,000 bottles, and it gives general satisfaction, as customers who get it almost always recommend it to their friends. We have had numerous instances of its great efficacy in the cure of bilious headaches, indigestion, or stomach complaints, etc."

ENO'S FRUIT SALT.—"14, Rue de la Paix, Paris, Jan. 16, 1877.—A gentleman called in yesterday. He is a constant sufferer from chronic dyspepsia and has taken all sorts of mineral waters. I recommended him to give your Salt a trial, which he did, and received great benefit. He says he never knew what it was to be without pain until he tried your Salt, and for the future shall never be without it in the house."—M. Beral."

ENO'S FRUIT SALT.—Sold by all Chemists, price 2s. 9d. and 4s. 6d.
