PARCEL POST PACKAGES.

Extract from Departmental Circular Issued to all Postmasters in Canada.

The attention of Postmasters is further called to the fact that no parcel can be sent from Canada to any other country by Parcel Post unless it bear a Customs Declaration setting forth the nature of its contents and its value. As the acceptance by a Postmaster of a parcel addressed to any other country, and not provided with a Customs Declaration, will result in its being sent to the Dead Letter Office, Postmasters are specially directed not to accept such parcels without the Customs Declaration.
