THE TIDY HOUSEWIFE. — The careful, tidy housewife, when she is giving her house its spring cleaning, should bear in mind that the dear inmates of her house are more precious than houses, and that their systems need cleansing by purifying the blood, regulating the stomach and bowels to prevent and cure the diseases arising from spring malaria and miasma, and she should know that there is nothing that will do it so perfectly and surely as Hop Bitters, the purest and best of all medicines. See other column.
