

Feb. 4.—A lecture entitled: "Lyrical poetry of the Elizabethans," by Mr. D. C. Scott.

Mar. 4.—A lecture entitled: "Weather," by Mr. Otto J. Klotz.

Mar. 11.—A lecture entitled: "Fruit and Fruit Districts of Canada" (illustrated), by Mr. John Craig. His Excellency the Governor General was present at this lecture and took part in the discussion that followed.

A lecture by Dr. Macphail, of the University of Bishop's College, Montreal, on "The American Lobster," postponed from 18th February, was delivered on Thursday, 18th March. The lecture was illustrated with lantern slides and specimens.

On the resolution of the Council, the collection of mounted birds, &c., in the glass case in the Normal School were named by the leaders of the Ornithological branch.

A memorial to the Hon. Minister of Education was drawn up by a Committee, appointed by the Council, and then signed by members of the Council and members of the Club, asking for a grant of \$300 annually towards the publication of the *NATURALIST*.

The thanks of the Club are due to Dr. MacCabe, Principal of the Normal School, and to the Minister of Education for their courteous kindness in granting the use of the Assembly Hall for the course of lectures, and to Dr. MacCabe for the use of a room for the Council meetings.

One word in conclusion which is really in the interest of the Club. Many of the members are still in arrears in the payment of their annual fee, and such are therefore urged without further delay to hand the amount due to the Treasurer, and thus remove from the Club what otherwise will be a blemish as it begins another year of its history.

ANDREW HALKETT,
Secretary.

FRANK T. SHUTT,
President.
