Imperial Parliament and the Boer War.

iden, Oct. 17 - Parliament opened to

London, Oct. 17—Parliament opened to day in extraordinary session to consider the South African situation. In the speech from the throne, Her Majesty sabi: "My Lords and Gentlemen: "Within a bref period after the re-cent protogation 1 am compelled by ovents—yly affecting the interests of my Empire to recur to your advice and sid.

my Empire to recur to your addres and all the state of affishs in Fourth Afficabar acade it apredient that my Govern ment should be enabled to strengthen the military force of this country by calling out the reserve. For this pupease the provisions of the law render in necessity that Parliament should be called together. "Except for the difficulties that have been caused by the action of the South Affician Republic, the condition of the world continues to be peaceful." "Genticians of the House of Commons:

world continues to be peaceful.

"Gentlemen of the House of Commons:

"Measures will be laid before you for the purpose of providing the expenditure which has been or may be caused by events in South Africa.

"Estimates for the ensuling year will be submitted to you in due course.

"My Lords and Gentlemen:

"There are many subfects of damestic laterest to which your attention with be invited at a later period when no ordinary season for the labors of a parliamentary resson has been reached. For the pre-cel I have invited your attendance in ordie to see you to deal with an exceptional existency and I pray that, in perfection, you have the guidance and blessing of Menghty God"

In the Commons.

In the Commons.

In the Commons.

Both Houses assembled in the Charder of Peers at 2 o'clock. In Queen's specific period of the Charder of the Institute of the Charder of the House of Commons, the light Hon William Court Gully, returned to the Chamber of transmons and the House took a recess until 4 o'clock

ock
Ir, Henry Labouchere, Liberal, member
Northampton, will more an amendnt to the address in reply to the speech
in the throne in favor of arbitration in
Transvaal embrogilo, even at this late from the throne in the Transvate embrogilo, even at this rate the Transvate embrogilo, even at this rate day, Mr. John E. Redmond, Parnellite, member for Waterford, will move an amendment, protesting against the war.

The Opening Ceremonies.

The Opening Ceremonies.

The Opening Ceremonies occupied a quarter of an hour. Saraely a core of , wers were present when the Local High Chandlellor, Banon Halsbury, tool His seat on he woolsack. The Black Rod was direct led to desire the immediate attendance of he Commons and after his direct led to desire the immediate attendance of he Speaker and other efficient of the Commons and after his property of the Speaker and other efficient of the Speaker and the bare for the Speaker and the bare of the Speaker and the Locate, with the members of the House of Lords. Mr. Charlemagna was also present. United State Smith Speaker of the Speaker of Central Hisbury. The subsequent arrivals were bore. The regular formally of something of the Speaker of

Chamberain. Octave of Wales was lought colonies. The Prince of Wales was lought colonies while driving to the House of Lorda. Within the House cordial receptions marked the arrival of Mr. Balfour, and the House lought lead to the House listened impatiently to the unit protest by Mr. James Lowther against the House listened impatiently to the unit protest by Mr. James Lowther against the linged interference of Feers in elections, but the linged interference of Feers in elections, but in the long of the lower long to the long the linge in the linged interference of Feers in elections for an immess outburst of appliance. He entered carrying a big despitch lox.

Mr. Balfour gave notice of a motion to morrow that no private business should be taken up during the autumn session. Wr. Balfour gave notice of a motion to the control of the Chamber of the Cham

gold uniform of a captain of the Grenadiers.

In Moving the Address

Sir Alexander Hood said the House had
nover met in greter circumstances in
Empire. Dwelling upon the horrors of war,
he declared that war should not be undertaken except from absolute neces y, but
that, in this case, all peaceful means had
