

ROSSIN HOUSE,
TORONTO CANADA
A. NELSON, PROPRIETOR.

The proprietor has found it necessary owing to the increased patronage of this popular Hotel to increase its capacity by an addition of 77 rooms, elegantly furnished en suite with baths, now ready for occupation. The latest exposed sanitary plumbing has been adopted throughout. THE ROSSIN is admittedly the largest, best appointed, and most liberally managed hotel in the Province, having accommodation for 500 guests.

ST. LAWRENCE HALL.

THIS HOTEL was opened on the First of May, 1879, by the former Proprietor, so long and favorably known throughout Canada, the United States and British Empire, who has spared no expense in entirely RE-FURNISHING the whole house; also adding ALL MODERN IMPROVEMENTS, which will considerably enhance the already enviable popularity of this first class Hotel.

H. HOGAN, Proprietor.

S. MONTGOMERY, Manager.

The Place to Buy

*Carpets, Curtains, Oil-Cloths, Portieres, Rugs
Draperies and*

FURNITURE

Weston Electrical Instrument Co.

114-120 William St. NEWARK, N.J., U.S.A.

Illuminated Dial Station Instruments.

These instruments are based upon the same principles and are just as accurate as our regular standard portable Direct Current Voltmeters and Ammeters. They are in larger and smaller working parts are of a most highly designed, dust-proof construction which effectively excludes the instruments from disturbing influences of external magnetic fields.

WESTON'S PATENT Portable Direct Reading Voltmeters and Ammeters are also available in the form of WATTMETERS and VOLTMETERS for ALTERNATING and DIRECT CURRENT.

Our portable instruments are recognized as standard through the world.

Our SEMI-PORTABLE LABORATORY STANDARDS Voltmeter and Ammeter are still better.

They are the most reliable, absolute standard for laboratory use.

Weston Standard Illuminated Dial Station Voltmeter—Style K.
