THE MONTREAL BUSINESS COLLEGE,

Corner of Notre Dame Street and Place D'Armes.

(ESTABLISHED 1864.)

The most thorough Commercial School in Canada. The course of instruction is a thorough drill in practical education for business purposes. Each department is in charge of an experienced teacher.

Merchants there are in hundreds who have either acquired their business knowledge or finished off a knowledge gleaned elsewhere by a course taken in the Montreal Business College.—*Cornwall Standard*.

This institution could hardly desire a better reputation than it already possesses.—*La Minerve of Montreal*.

The diplomas of the College have come to be regarded by business men as among the best certificates of character and ability.—*Canadian Trade Review*.

It is their aim in each department to make it an actual counterpart of what a young man may expect to meet with when he enters a business house.—*Montreal Gazette*.

Our Actual Business Department is unequalled in the Dominion.
