.. PALMATTA ..

A valuable concentrated combination of Saw Palmetto Berries and Stone Root (Collinsonia Canadensis), blended with true Sandalwood, in an aromatic vehicle, which renders it most acceptable to the stomach. It is

A SPECIFIC FOR DISEASES OF THE GENITO-URINARY ORGANS

SPECIALLY VALUABLE IN
**PROSTATIC TROUBLES OF ELDERLY MEN,
PAINFUL OR DIFFICULT MICTURITION,
INCONTINENCE OF URINE AND BLADDER DISEASES,
AND ALL URETHAL INFLAMMATIONS.**

The soothing, healing action of Palmatta becomes plainly evident after the exhibition of a few doses.

Palmatta is not placed before the general public, being designed for prescription use only. The packages bear the name only, without directions or information of any kind.

Palmatta may be advantageously used, and is specially indicated in such cases as **Varicocele, Wasting of the Testes**, whether induced by masturbation or from other causes conducing to Sexual Impotence. Physicians will find Palmatta most effectual in cases of sexual perversion, more especially in **atrophied conditions** of the glands. In enlargement or inflammation of the **Prostate** it is also a remarkably efficient addition to the physician's armamentarium.

IN CYSTITIS

Palmatta has been proved to be of the greatest value, and its use is indicated in **Irritations of the Bladder**.

In gynæcological practice it is found useful in Atrophy of the Uterus dependent on uterine blight.

In Pre-senility it acts as a vitalizing tonic to the withered atrophied glands of the reproductive system. It is not a stimulant, but an antiseptic tonic with powerful restorative powers over the reproductive system. Used regularly in drachm doses thrice daily it produces most satisfactory results.

A sample bottle of Palmatta will be forwarded gratis to any physician on receipt of 25c. to pay express charges
