In returning thanks to our many customers for their abundant patronage during the past year, we venture to hope for a continuance and even an increase of their favors during the next.

We claim for our Foundry a rank among the type manufacturing of the world, equal to that of the best. Our facilities enable us to fill orders of any extent or amount. Our workmen are skilled in their several branches; our machinery is of the latest and most improved description; our matrices are entirely new; and the type we produce is unequalled for beauty and finish, and of a QUALITY which we guarantee to be unrivalled.

We are agents for the most celebrated Power and Job Presses (English & American); for the best Ink manufacturing; and for the leading American Type Foundries.

Our usual terms have been four months; but, in order to encourage a ready cash system, we have decided to allow a discount of TEN per cent. off News Type, and FIVE per cent. off Job Type and Sundries, on all accounts settled monthly. We indulge in the hope that a large and constantly increasing number of Printers will be glad to avail themselves of this liberal discount. Special terms for new outfits and large orders.

A BAD SPELL.

SCHOOL TEACHER: Well, if I'm not surprised at one of my head boys makin' sic a bungle o' a simple word like *ultramontane*. I've half a min' to wallop both you and Luther Holton; you for bringin' discredit on the school by your ignorance, an' him for speakin' w/out permission.

THE BLACK CROW BACK AGAIN.

PROFESSOR C.: Ladies and gentlemen, at my last performance, you may remember how I produced from this cauldron a fine fat goose in place of the hideous crow I had previously held up to you. I fully intended to have performed the same trick on the present occasion, but unfortunately, I find the fat goose has turned up missin'—tho—ah—the old crow, is back again, I find, as lively as ever.
