Andrews Nukote
(TRADE MARK)
THE MODERN FINISH"

ARE YOU SATISFIED
with the condition of your floors, woodwork, furniture and metal work?
You can quickly and easily freshen your home and make it attractive by using
ANDREWS NUKOTE

Any kind of wood can be imitated perfectly—from oak and walnut to cherry, mahogany and ebony. It is the great home beautifier for floors, furniture, picture frames, bric-a-brac, linoleum, chandeliers, ranges, metal work, iron bedsteads, iron fences, etc.—old or new. The colors are absolutely permanent and bring out all the beauty of grain in the natural wood. Just the thing for refinishing old and odd pieces of furniture handsomely. Makes old floors look new and elegant. You can retain the old color, change it from light to dark, or from dark to light and cover up old spots.

EASY TO APPLY
Andrews Nukote stains and finishes all in one operation. It is so easily done that women everywhere take pleasure in applying Nukote. Even children can do it well. Andrews Nukote dries over night—wears like granite—does not turn white under moisture—does not scratch, scale or peel off—and costs but a trifle, and makes the daily task of housekeeping light, as all dust is wiped up quickly with a damp cloth.

Andrews Nukote is put up in Light and Dark Oak, Cherry, Mahogany, Rosewood, Forest Green, Ox Blood, Gloss Black, Dead Black and Clear. For sale by all leading paint dealers.
