CITY ITEMS.

Good Advice.—As a remedy for the periodical destructive fires in Canada the Journal of Commerce advises the companies to agree mutually to discontinue taking risks on rows of wooden buildings.

NORTHERN COLONIZATION R.R.—The Quebec Government have appointed ex-Alderman Macdonnell, of Ottawa, to settle the disputed land Question on the Northern Colonization Railway in the County of Ottawa.

Supreme Business.—The shipping business may not be as brisk as former times, but it is not to be judged by the small amount of business that is now being done opposite the city proper, as the loading and unloading of sea-going vessels is being carried on Hochelaga and along the wharf upwards as far as the mouth of the canal.

PICKPOCKETS.—Several complaints have been made at the Central Station recently that persons have had their pockets picked while at the Bonsecours Market, and on Saturday morning Detective Arcand, who has been keeping a sharp lookout for the thieves, captured a young man named George Kavanagh in the act of picking the pocket of a lady, and brought him to the Police Station.

Y. I. L. AND B. A.—We understand that the Young Irishmen's Literary and Benefit Association have decided to hold their second annual excursion and picnic at Ste. Rose, on the Q. M. O. & O. Railway, on Dominion Day. Heretofore, we believe, it has been the custom of the St. Patrick's Society to hold their picnic on that day, but this year they have changed their plans, and the Young Irishmen will avail themselves of the alteration, and have accordingly chosen a beautiful island at Ste. Rose. The picnic last year was the most successful of its kind, and they hope to see a large increase in the number on the 2nd prox.

SHEPHERD ESTATE.—The advertisement of the Bank of England for the heirs of the Shepherd estate, now in the hands of the bank, and amounting to about \$12,000,000, has caused a flutter of excitement in this city. It is said that one of the late heirs was Elizabeth Shepherd Northedge, who married Mr. Henry Mussen, brother of Mr. Thomas Mussen, dry-goods merchant of this city. Miss Mussen, the issue of this marriage, is one of the present claimants. Repeated efforts have been made by all parties interested to secure the estate but without success. However, as the claimants of American origin are moving again, those of Canadian descent are also appearing, and the general interest in the affair is increasing.

REORGANIZATION.—A meeting was held on the 1st inst., at the office of the Confederation Life Association, No. 163 St. James street, for the purpose of reorganizing the Provincial Board, consequent upon some changes having taken place by death and otherwise, when Sir Francis Hincks was unanimously elected chairman and Mr. Edward Murphy, of the firm of Messrs. Frothingham & Workman, was elected to fill another vacancy. The able and energetic managing director, Mr. J. K. Macdonald, from head quarters, who was present at the meeting, gave some interesting information with reference to the highly satisfactory position which the Association had attained. As evidence of its substantial progress, attention was drawn to the following statements of its assets at the end of each of the first five years, (the paid up capital remaining the same throughout):

Table with 2 columns: Year, Assets. 1st year: \$100,952.63; 2nd: 113,293.60; 3rd: 162,283.12; 4th: 223,474.38; 5th: 389,209.19

The investments, he said, had been subjected to the strictest scrutiny, and had proved perfectly satisfactory, while the severest test had been applied to the liabilities, the valuation of policies having been made under the mortality table of the Institute of Actuaries, and 4 1/2 per cent interest, which resulted in showing the following:—

Table with 2 columns: Description, Amount. Participating Policy-holders' Share: \$31,541.05; One Year's Interest on Paid-up Capital: 4,000.00; Stockholders' Share: 6,832.12

Had the valuation been made under the Carlisle table of mortality and 5 per cent. interest (as adopted by some), it would have shown a greater surplus by about \$20,000, which would have admitted of a much larger dividend to policy-holders, but the enhanced security is of more vital importance. The Provincial Manager, Mr. H. J. Johnston, is to be congratulated upon this new accession of strength to his Board, as well as upon the strength and reliability of the institution he so well represents, and with such circumstances in his favor he can scarcely fail in the accomplishment of a successful business.

LACROSSE—EMERALD VS MONTREAL.—THE EMERALD VICTORIOUS.—A very pretty and exciting match of Lacrosse came off on Saturday afternoon on the Montreal Lacrosse Grounds between twelve members of the Emerald and twelve members of the Montreal clubs. The teams were composed of the following men, Montreal—Messrs. R. Featherstone, S. Struthers, W. Ross, W. Cairns, W. Kay, V. C. Cousins, R. Summerhayes, W. Griffin, E. M. Ermatinger, E. Auld, F. McIndoe, and T. Fraser, D. E. Bowie, Field Captain. "Emeralds"—Messrs. C. Shea, E. Hart, P. J. McElroy, W. Green, A. Robinson, R. Harkins, T. Meehan, J. Wallace, T. J. Martin, P. Murphy, M. Fitzpatrick, and J. Hughes, M. Polan, Field Captain. The Emerald men looked remarkably well in their silver grey costumes with green hoop. Shortly after three o'clock, play commenced, and the first game resulted after a contest of about fourteen minutes in a victory to the Montreal men. The second and third games were won by the "Emeralds" in five and eight minutes, the ball being in each case respectively put through by A. Robinson and R. Harkins. In the fourth game after about eight minutes play, the "Emerald" men claimed a victory in which opinion the Referees did not coincide, the match was again resumed, and at the end of about ten minutes very close play, J. Hughes hurled the ball through the Montreal goals, thus securing a decisive victory for the "Emeralds." The match throughout was well contested, and with an entire absence of intentional rough play, notwithstanding that W. Green, a young and excellent player of the "Emeralds" received an unpleasant stroke, above the forehead from an opponent's lacrosse. The wound bled freely but was soon banded and Green resumed play, like a little man with unflagging vigor. Martin also received a blow on the chin from an opponent, and Hughes a severe blow on the head from one of his own team—all of which goes to show that Lacrosse is not a parlor game and that accidents will occur in the best regulated Lacrosse matches—a fact which some "ginger bread" spectators and critics make more ado about than the players themselves. The result of the match goes to show that the Montreal Club will need to bring out their best team when they face the Emerald boys again. The members of the Emerald club are to be congratulated not only upon their efficiency, but also on their strict adherence to the rules of the game, and their gentlemanly behaviour on the field, after suffering the loss of six of their number viz.—Farmer, McGuire, Patterson and Bain, to the Shamrock Club, and Ross and Kay to the Montreal club, they still bid fair to hold their own during the present season. The "Emeralds" have challenged the Shamrocks, and should their claim to the championship be entertained, the match will be one of the best of the season.
