They Help

Each other. Grocers and general storekeepers will find a profitable adjunct to their business in a line of our celebrated cigars. Once get a customer into the way of dropping in for a good cigar and you'll be surprised at the result. He comes in to buy only groceries and one of our fragrant LA CADENAS may catch his eye. He comes in for one of those satisfactory LA CADENAS and on his way to the office he finds the arrival in groceries tempts him into a purchase. See how it works? Profit both ways.

He may make a selection from other and less expensive brands such as

EL PADRE
MADE E'HIJO
CABLE EXTRA
KICKER
MUNGO

All of which sell well.

AND CRAVENETTES.

Mercantile Summary.

THE proposed St. Clair & Lake Erie canal has given the village of Tilbury Centre a boom, and property in and around the village is being rapidly bought up. A syndicate has purchased a tract of land just south of the village and has subdivided it.

MRS. SAMANTHA McMANUS, doing a small general business at Casselman, Ont., has had to assign. Mr. McManus was previously in business at Aultsville, where he failed in 1892, and had only recently removed to Casselman, where he did business under cover of his wife's name.

COTE & FREERE, of St. John, Que., whose embarrassment we lately noted, have arranged to pay a compromise of 60 cents cash. They had lately spread out beyond their means, and owe \$19,529 direct, \$382 privileged, and \$3,042 indirect. While they show assets, stocks, etc., \$15,723; good accounts, \$3,613; doubtful, \$1,348; bad, \$2,934.

THE duties collected at the Montreal Custom House during February were \$509,982, as compared with \$537,255 in February, 1893. Inland revenues collected, \$169,942, were slightly greater. At St. John, on the other hand, an increase in customs duties of \$28,000 over the previous February is shown.

A BROCKVILLE telegram states that Cossett Bros., agricultural implement manufacturers of that town, have made arrangements with the McCormick Harvesting Machine Company, of Chicago, for the manufacture of their binders in Canada, and the present shops will have to be greatly enlarged to accommodate the increased business.
