AND OTHER TREATMENT

Charge the blood and nerves with that  
life force that sustains all nature.  
Therefore, the blood so charged takes  
to all parts of the body its revivifying  
influence, and rebuilds it with sound  
material, and carries off all worn out  
and effete substances, and renews the  
nerve fluid to such an extent that the  
whole body is renewed in vigour.
