The Magazine of American History

Begins the Nineteenth Volume with the January Number, 1888.

This is the only magazine in the country devoted exclusively to history and the literature, antiquities and curiosities of history. It is conducted in a spirited and popular manner, and it is printed with such care and taste that it is a pleasure to turn its beautiful pages. There are two handsome volumes in each year, beginning with January and July. With each successive volume an elaborate Index is carefully prepared and added, enhancing the value of the work, particularly for reference, in a measure that cannot be over-estimated. It forms also an unique gallery of historical portraits. There is no work in existence more absolutely indispensable to the well-chosen library, whether public or private, or more desirable and appropriate for the cultivated home and the study-table. Schools, colleges and libraries have found it a necessity. Subscriptions may begin at any time, and all booksellers and newsdealers receive them, or remittance may be made direct to the publishers. Price \$5 a year. The price of the bound volume is \$3.50 for each half year, in dark green levant cloth, and \$1.50 if bound in half morocco.
