For DYSPEPSIA, and for the cure of all Disorders of the Stomach, Liver, Bowels, Constipations, Biliousness, Headache, etc. Price 25 cents.

DR. RADWAY & CO., - MONTREAL
INTERNATIONAL

MISCELLANEOUS.

The latest fad to be indulged in by the seashore this summer is "penthomanacy," or fate by footprints. The "New York Times" says it has superseded palmistry, and now it will be possible to tell by toe joints and curves whether you are amiable or not, why you are not happy, though married, and all the rest.

Brown's Bronchial Troches give prompt and effectual relief in all Throat troubles. Mr. Amos R. Peachy, Hungerford, Berkshire, England, writes: "Change of climate (from South Africa) nearly cost me my life, as it produced the greatest prostration from Ulcerated Throat and Bronchial Inflammation. My friends are astonished at the remarkable change in my health from the time I commenced using Brown's Bronchial Troches.

The most expensive perfume in the market at present is the essential oil of rose petals, or otto of roses, £120 per pound. The essential oil of jasmine is quoted at £108 per pound; ambergris, £90 per pound; musk, £84 per pound.—London Tid Bits.

TIMELY WISDOM.

Great and timely wisdom is shown by keeping Dr. Fowler's Extract of Wild Strawberry on hand. It has no equal for cholera, cholera morbus, diarrhoea, dysentery, colic, cramps and all summer complaints, or looseness of the bowels.

It is said that an ingot of gold weighing 21.4 ounces, and worth about \$50, is made by the gold-beaters into sheets so thin that it would take 48,000 to measure an inch in height. By the labour of beating, the gold acquires a value of \$400, making over 26,000 sheets of gold foil, or gold leaf as it is usually called.

A CLOSE RESEMBLANCE.

Many symptoms of Canadian cholera are similar to those of the real Asiatic cholera, such as vomiting, purging, intense pain, etc. For all these symptoms, Dr. Fowler's extract of Wild Strawberry is a safe and sure specific. Price 35 cents at druggists.

It is stated that the Duke of Edinburgh spends about £500 a year in private pension: to old salts, who either have served under him or served with him. A boat-swain's mate once fell from the main royal, and, sailor-like, tumbled upon something that broke his fall; but, though he saved his neck, he injured his spine; and the Duke, who witnessed the accident, has ever since allowed the man £50 a year.

A PROMPT CURE.

Gentlemen,—(Having suffered over two years with constipation, and the doctors not having helped me, I concluded to try B. B. B., and before I used one bottle I was cured. I can also recommend it for sick headache.

Ethel D. Haines, Lakeview, Ont.

The Valley of Hyeres, on the south coast of France, is probably the most fragrant spot on the surface of this planet. For the last hundred years the little town of the same name has been engaged in the manufacture of perfumes and essences, and the "flower-farmers" who supply the raw material for those extracts, have covered some forty English square miles with thickets of roses and jessamines, alternating with broad fields where mignonette and heliotrope flourish like clover. If the winds from the west the perfume of the flower plantations is plainly perceptible on the hills of Toulon, at a distance of nine English miles.

THE CHOLERA SCARE.

Fear kills more than cholera. Severe diarrhoea, purging, colic, cramps, etc., are often mistaken for choleraic troubles. A few doses of Dr. Fowler's extract of Wild Strawberry will remove both the disease and the terror it inspires.

WONDER IN WELLAND!

A Representative Farmer
Speaks.

MR. C. C. HAUN.

The following remarkable facts are fully certified to as being undeniably correct in every particular. Mr. Haun is well known in the vicinity, having resided here over fifty years, and is highly respected as a man of the strictest honor, whose word is as good as his bond.

As will be seen from his letter, four physicians had attended him, and it was only after he had given up hope of cure that he decided to try Burdock Blood Bitters on the recommendation of a neighbor who had been cured of a similar disease by its use. Mr. Haun writes as follows:

DEAR SIR,—I think I have been one of the worst sufferers you have yet heard of, having been six years in the hands of four of our best doctors without obtaining permanent relief, but continually growing worse, until almost beyond hope of recovery, I tried your Bitters and got relief in a few days. Every organ of my body was deranged, the liver enlarged, hardened and torpid, the heart and digestive organs seriously deranged, a large abscess in my back, followed by paralysis of the right leg, in fact the lower half of my body was entirely useless. After using Burdock Blood Bitters for a few days the abscess burst, discharging fully five quarts of pus in two hours. I felt as if I had received a shock from a powerful battery. My recovery after this was steady and the cure permanent, seeing that for the four years since I have had as good health as ever I had. I still take an occasional bottle, not that I need it but because I wish to keep my system in perfect working order. I can think of no more remarkable case than what I have myself passed through, and no words can express my thankfulness for such perfect recovery.

C. C. HAUN,
Welland P.O.

In this connection the following letter from T. Cumines, Esq., a leading druggist of Welland, Ont., speaks for itself: Mrs. T. Milburn & Co., Toronto.

GENTLEMEN,—I have been personally acquainted with Mr. C. C. Haun for the last 20 years, and have always found him a very reliable man. You may place the utmost confidence in anything he says with regard to your medicine. He has on many occasions within the last four years told me that it was marvellous the way the Burdock Blood Bitters had cured him, and that he now felt as able to do a day's work as he ever felt in his life. Although quite well he still takes some B. B. B. occasionally, as he says, to keep him in perfect health.

Yours truly,

THOMAS CUMINES,
Welland, Ont.
