considerable economic growth in southern Ontario, but that growth has not been reflected in western Canada.

We want a Government which will stand up for the interests of all Canadians. We particularly want a Government which will take effective action so that western Canadians can share in the recovery about which the Government so proudly boasts on a day to day basis.

We call upon the Government to get up off its knees when it is facing the Americans, to stand up for Canadian interests, and to do something effective to develop the economy in western Canada.

**The Acting Speaker (Mrs. Champagne):** Is it the pleasure of the House to adopt the motion?

**Some Hon. Members:** Agreed.

**Some Hon. Members:** No.

**The Acting Speaker (Mrs. Champagne):** All those in favour of the motion will please say yea.
