

April 10th, 1928.

Lieut.-General Sir William Furse,
Director, Imperial Institute,
South Kensington,
London, S.W. 7.

Dear Sir William:-

I am this morning in receipt of your circular letter dated March 23rd, and the Catalogue of Exhibits pertaining to the Empire Timber Exhibition, now being given at the Imperial Institute.

These exhibitions must serve a very useful purpose. I know you go to a great deal of trouble to make them attractive and complete and I congratulate you.

Yours faithfully,

Principal.
