

GOVERNMENT HOUSE,
OTTAWA.

Office of the Secretary
to the Governor-General

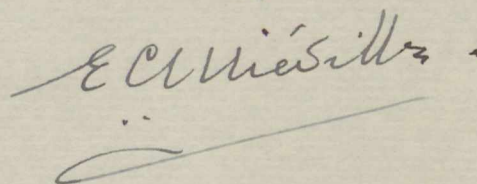

September 2nd 1930

My dear Bovey,

Many thanks for your letter of August 26th, regarding the Peace Gift to be given to Canada by representative Americans and placed in McGill grounds. The date you have in mind, October 18th, is, I fear, a bad one from our point of view, as, unless there is a change in the programme, Their Excellencies will be away in the Maritimes on that day, thus I fear we shall be unable to come to the football match between McGill and Queens. We expect to be away on tour from October 2nd until the 27th.

With kind regards.

Yours sincerely,

Colonel W. Bovey,
McGill University,
MONTREAL.
