UNIVERSITY OF THE PHILIPPINES MANILA

The President McGill University Montreal, Canada

My dear Sir,

I have been appointed a delegate from the Philippine Islands to the conference of the Institute of Pacific Relations to be held in Banff, Canada, August 14-28, next. After the conference, Mrs. Dyson and I shall return across Canada to the Atlantic coast so as to visit Montreal and other interesting Canadian cities. While in Montreal I shall certainly visit McGill University and The Gest Chinese Research Library as I am interested in Chinese studies. I had some correspondence a few years ago with Dr. Lomer and Professor C. B. Kwei. Although the University will not be in session, I hope to have the pleasure of meeting yourself and Dr. Lomer while I am in Canada. No doubt your institution will be well represented at Banff. If convenient, will you kindly advise me if The Gest Research Library will be open during the first week in September and give me the name of one of your delegates to the Banff conference.

With compliments,

Sincerely yours,

(Prof.) VERNE DYSON
