borrowed was put into the water at the Humber, in the bay and all along the

waterfront. Scores of motor boats and

waterfront. Scores of motor boats and small sailing craft were seen skimming along the lakefront.

Boat house men say that the season has not opened so early for many years. It did not open until May 1 last year. People poured into High Park at an early hour. The crowd was a record breaker for this time of the year. At Riverdale the zoo was a great attraction for the children. The Don Flats, that are being terraced by "the boys" from over the Don, was also a popular spot.

Thousands of people paraded the sands at Kew and Balmy Beaches. The radial cars carried great numbers to Scarboro Bluffs. It being a clear day a splendid view was afforded across the lake. Nearly 2000 rode across the bay in the ferry

boats to Hanlan's Point, Centre and Ward's Island.

#### ATTENDED SERVICES

Splendid Sermons to Men Who Are Going to Fight Empire's Battles.

The inspection and demonstration of the St. John's Ambulance Brigade for overseas service by his honor the lieutenant-governor on Saturday at Casa Loma was very interesting and terribly realistic under present conditions. Sir Henry and Lady Pellatt could not have had a more perfect day for the inspection, and Casa Loma looked very beautiful. The west lawn, where it took place afforded ample room for the demonstration, the nurses being present, and a band of the girl guides in their blue and white uniforms, with the nurses' dark blue, red and gold dresses and capes, made a very pretty scene, when his honor inspected the men and shook hands with the women. Mr. Hendrie and Miss Hendrie were present, and his honor was attended by Mr. Marvin Rathbun. Tea was afterwards served in the dining-room. The library, which is approaching completion, was arranged with the most lovely flowers, caiceolaras, etc., Lady Pellatt giving Mrs. Hendrie a bcuquet of most uncommon orchids, gloxinias and ferns in profusion. The conservatory off the large dining-room was also lovely. Miss Brenda Macrae sang the recruiting song during tes. A few of those present included Col. and Mrs. Gooderham, Major and Mrs. Wilson, Mrs. R. A. Pyne, the Lord Bishop of Toronto, Col. Brock, Dr. Bruce, Col. and Mrs. Bruce, Miss Muriel Bruce, Mr. Stewart Wilson, Dr. Marlowe, Col. and Mrs. Peuchen, Miss Peuchen, Mrs. and Mrs. Royce, Mrs. Wallace Nesbitt, Mrs. Christopher Robinson, Miss Robinson, Dr. and Mrs. Royce, Mrs. Wallace Nesbitt, Mrs. Christopher Robinson, Miss Robinson, Dr. and Mrs. Royce, Mrs. Wallace Nesbitt, Mrs. Christopher Robinson, Mrs. Rand Mrs. Seorge Wilson, Mrs. Band, Mrs. Phelan, Mrs. Ambrose Small, Miss Catherine Welland Merritt, Miss Catherine Welland Merritt, Miss Catherine Welland Merritt, Mrs. and Mrs. W. H. Cawthra, Mr. and Mrs. Kenneth Dunstan, Captain and Mrs. Band, Mrs. P. G. Close, the Misses Close, Mr. Mill Pellatt, Mr. and Mrs. Murray Alexander. Mr. and Mrs. Reve, the Provost of Trinity College, Mrs. R. B. Hamilton, Mrs. Kennin, A steel of great toughness, that will withstand bullets fired from only 50 yards, has been secured for the cars of the Eaton Motor Machine Gun Battery of the second contingent. The steel, which is but three-sixteenths of an inch thick, is to be adopted. It has been tried out on the experimental car at Exhibition Park camp, and three more like it will arrive this week. car at Exhibition Park camp, and three more like it will arrive this week. The remainder of the forty cars will now be hurried up ready to go.

A most successful band concert was given at the camp on Sunday afternoon, by the brass band of the 20th Battalion, under leadership of Robert Moore. Weather conditions were perfect for the open-air concert and nearly 10,000 visitors from the city were present.

There was a large attendance of soldiers at the Sunday morning service in the transportation building. A fine sermon was delivered by Rev.
Frank Day, pastor of Rosedale Congregational Church. Major Rev. J.
Russell Maclean took the service. The Russell Maclean took the service. The preacher's text was "Endure Hardness As a Good Soldier of Jesus Christ."

Capt. Rev. Canon Dixon celebrated communion at the dairy building on Sunday morning and afterwards preached at the camp hospital.

Col. H. M. Elliot, A.A.G., acting for the camp commandant, made an inspection on Sunday of the quarters of the cavalry, ammunitnon park, artilthe cavalry, ammunitnon park, artillery and the Eaton Machine Gun Battery.

The marriage took place on Saturday afternoon in the Presbyterian Church, Bloor street, at three o'clock, the east end of the church being most beautifully decorated with magnificent tree ferns, palms, bushes of Marguerites, a large tree of deep crimson rhododendron in the centre, and a large basket of pink snapdragon, the Rev. Dr. Wallace officiating, assisted by the Rev. Charles W. Gordon, Winnipeg (Ralph Connor, and an uncle of the bride) of Lila Florence, daughter of Mr. William D. Wilson, to Mr. Thomas Wilbur Best. Mr. Frank Allan played the wedding music, and Miss Marjory Grey sang "Because" during the signing of the register. The lovely little bride, who was brought in and given away by her father, wore a simple white satin gown, with court train, lined with palest pink, and corsage and sleeves of real lace; a large how on the and of the train, had Added to Strength.
Lieut. W. K. Campbell of the Canadian Army Service Corps, has been
taken on the strength of the Divisional Ammunition Park, and Lieut. R. L. Goodliff of the 37th Regiment to the of Canadian Army Service Corps is attached to the 19th Battalion to take the infantry course.

# Christian Science

'COME, LET US REASON TOGETHER, SAITH THE LORD"

Remarkable Growth of This Cult—Its Adherents—Their Realization -God Omnipotent and Omniscient, But Not Omnipresent,

Present-Day Conditions—Are Its Tackings Logical?—Some Perplexing Problems—The Power of the Will in Resisting Disease—God Omnipotent and Omniscient, But Not Omnipresent.

EINGRANTON, M. April 35—Bastor Russell's discourse here to day was of unusual interest. His text is discourse here to day was of unusual interest. His text is discourse here to day was of unusual interest. His text is many the search of the past of the pas

proportions. Three things especially favored it: (1) Its acceptance of the Bible; (2) its rejection of everlasting tor-Bible; (2) its rejection of everlasting torment, mental or physical; (3) its teaching respecting Divine healing. Mrs. Eddy, the acknowledged head of Christian Science, had a keen mind and considerable wisdom in its exercise. She would hold to the Bible, even the perverting its teachings. She would not make her teachings too antagonistic to other theories. She contented herself with vague, ambiguous statements re the future life. She laid principal stress on healing, and settled all doctrinal difficulties with the dictum that there is no evil, no sin, no She laid principal steess with the settled all doctrinal difficulties with the dictum that there is no evil, no sin, no death; that wist have been so called are merely errors of the mind.

The very absurdity of these statements advertised them. People said. What does it mean—there is no death, no sickness, no pain, no sorrow, no evil of any kind? Absurd! Later, they said. We will see how Christian Scientists explain death, sickness, pain, sin. Thus curiosity led them into the metaphysical labyrinth which Mrs. Eddy had skilfully constructed. Having no intelligent knowledge of which Mrs. Eddy had skillully constructed. Having no intelligent knowledge of the Bible, they fell an easy prey to "Mother Eddy's" errors. If some of her definitions were fanciful, far-fetched and

definitions were ranciful, har retirement and unscriptural, they were no more so than the illogical teachings to which people had been accustomed from childhood.

C. S. Readers and Practitioners.

ward.

Still another class is interested—those in control of Christian Science literature, it sells at good, stiff prices, and anybody questioning the merchandising of the truth is given to understand that he is truth is given to understand the majority. The Bible recognizes a personal God. An omnipresent God is not a person.

The Bible recognizes a personal God—a great Spirt Being—and gives Him a home, or locality. Jesus taught us to pray, "Our Father, which art in Heaven." How different this is from saying that God is in everything useful or valuable—in the soil, because it is useful for the development of fruits; in the chair, because useful to sit upon; in the table, because useful of the development of fruits; in the chair, because useful to sit upon; in the table, because useful of the development of fruits; in the chair, because useful to sit upon; in the table, because useful of the development of fruits; in the chair, because useful to sit upon; in the table, because useful of the development of fruits; in the chair, because useful to sit upon; in the table, because useful of the development of fruits; in the chair, because useful of the development of ruits; in the chair, because useful of the development of ruits; in the chair, because useful of the development of ruits; in the chair, because useful of the development of ruit conditions, resulting from the curse that came upon our race at the beginning, because of disloyalty to God. We agree with Mrs. Endy to the extent of saying that these unsatisfactory conditions are not designed by God to be everlasting. He does not recognize them as proper for those in fellowship with Him, Jesus Himself wells to that their obligation.

uages. Metropolitan cities are not controlled by the Syndicate, hence publish these instructive sermons in the leading newspapers, paying rates. INTERNATIONAL BIBLE STUDENTS ASSOCIATION

# Is it Reasonable?

of a Supernatural Power Outside of Man-An Outgrowth of Present-Day Conditions—Are Its Teachings Logical?—Some Perplexing Problems—The Power of the Will in Resisting Disease

which still lies in the Wicked One, and which will not be dealt with until the Church shall be glorified, and with her Lord shall constitute the Kingdom of Righteousness.

Jesus prayed for His Church. "Sanctify them thru Thy Truth; Thy Word is Truth." While Christian Scientists and people of other denominations, and some heathen as well, are, many of them, moral, exemplary, honorable, yet few ciaim to be sanctified. Indeed, the sanctifying features of Truth they ignore or do not see. We are not to think of church attendance or of rejection of profanity, liquors, etc., as sanctification. The putting away of the flith of the flesh is, indeed, commendable, but is only a primary step in the right direction.

God is now calling a sanctified class—a set-apart people—whom, He is testing under the promise, "Bell thou faithful unto death, and I will give thee a Crown of Life." This does not signify faithfulness to a denomination or a cult, but faithfulness to the Lord, to the testimony of His Word, to the principles of righteousness, to self-surrender to walk in Jesus' footsteps.

We will not discuss at length the scientific element of Christian Science. To some it seems very unscientific—inharmonious with the Truth. We believe that the only way that anything scientific could be associated with it is by adding to it the thought that sorrow, sin and death are in the world only temporarily, by reason of transgression of Divine Law, and that they are to be exterminated by Messiah's Kingdom.

Christian Scientists tell us that they have benefited mentally and physically from following Mrs. Eddy's theory and denying that there is any pain, etc. We quite agree that the will is a powerful factor in resisting disease—that if we brood over sorrows, difficulties, aches and pains, they are increased by the operation of our minds. We agree with all physicians that the mind should be diverted from our diseases. But it is illogical, irrational, and, above all, untruthful, to say that we are without pain when we attempt to be wiser tha
