FAST DOUBLE PLAY SAVED THE GAME

Leafs Easy in First and Royals
About to Clean Up When
Cook Arrived.

About three thousand people took advantage of the fine baseball weather Saturday to visit the island stadium for the double-header that concluded another home series for the Leafs. In many respects it was a repetition of Friday's program, as the double bill was split up, Montreal winning the first, 2 to 0, and Toronto taking the second, 6 to 5.

The initial contest was a tight hitting affair in which Dohd had a shade the better of Herbert, the latter pitched a good game. His team mates, however, could not do much with Dohd's curves and were not able to put across a single counter. Three double plays helped to cut off their chances when they looked most promising. At the same time the Montreal batters were having no picnic with Herbert's delivery, but they did succeed in the third inning in bunching three safe runs in a row for a single tally, but after that they were held scoreless until the ninth, when Gilbert's drive bounded into the bleachers for a home run. In the second inning a single, two sacrifices and a passed ball gave them one more and the total was raised to six in the sixth on singles by Graham, Rath and Williams. Koecher's double and a high throw in the seventh inning, when Gilbert's drive bounded into the bleachers for a home run. In the second inning a single, two sacrifices and a passed ball gave them one more and the total was raised to six in the sixth on singles by Graham, Rath and Williams. Koecher's double and a high throw in the seventh inning, when Gilbert's drive bounded into the bleachers for a home run.

There was shouting aplenty in the second game. The home team started right in on Lefty Smith, who went on the mound for Montreal, Dohd replacing him in left field. For the first six innings it was all Toronto, Smith being hammered for eleven hits and six runs. Williams commenced with a single to right centre and Almeida let it go thru his legs, Williams making third and scoring on Luque's sacrifice fly. Then Gilbert's drive bounded into the bleachers for a home run. In the second inning a single, two sacrifices and a passed ball gave them one more and the total was raised to six in the sixth on singles by Graham, Rath and Williams. Koecher's double and a high throw in the seventh inning, when Gilbert's drive bounded into the bleachers for a home run. LEAFS ON LONG TRIP.

Leafs left last night for a long trip on the road, playing Jersey City, Providence, Hartford, and Richmond. This brings them up to the final return home Sept. 6, when they play Buffalo.

The Leafs on Saturday cut the string they had on T. Jordan, now the big fellow is at liberty to sign where he pleases. He will likely stay with Richmond.

The two games on Sept. 11 with Jersey City will be a double-header in the afternoon and not the usual morning and afternoon holiday fixture.

POP BOTTLE STORM HITS UMP'S BYRON

Fans Resent Decision in Sunday Game at St. Louis—Police Stop Bresnahan.

At St. Louis (National).—A double-header, which was followed by a storm of pop bottles and cinders directed against Umpire Byron, and by Roger Bresnahan's spectacular attempt to reach a fan in the grandstand who had insulted him, was divided between Chicago and St. Louis on Sunday. The visitors took the first game, 3 to 1, and the locals the second, 8 to 1. In the last inning of the first game the bleachers took exception to Byron's ruling that hitting was out at second. Miller pelted the decision with a bottle, which was ordered from the field by pop bottle and cinders. Byron escaped the missiles, but the game was delayed for five minutes while a dozen field hands cleared the diamond of bottles and cinders. The police and Umpire Eason stopped Bresnahan as he was climbing into the grandstand. A batting rally in the eighth inning, which netted St. Louis six runs, won the second game.

Collins prevented Duggan from shutting out his opponents, as that error, which followed a single, was then followed by a double, gave the locals two runs. Scores: R.H.E.
