OUR SPECIAL COMBINATION SUBSCRIPTION
 RATES FOR

British Newspapers and Periodicals

MAILED DIRECT TO SUBSCRIBERS
 IN CANADA.

ATENTION is directed to the following subscription combination rates compiled from a carefully selected list of British weeklies which have justly earned for themselves a wide world popularity. In making up these combinations the requirements of representative residents in Canada have been studied and the results embodied in our special Club offers. Should an intending subscriber not find among these special offers one exactly suited to his needs, and will send us his own list, we will promptly quote the lowest rate at which it can be supplied. We enjoy special facilities in London for the prompt handling of newspapers and periodicals, which are dispatched by the Canadian fast steamer service; thus placing these publications in the hands of our subscribers at the earliest possible moment.
