By the Death of its Chancellor, Hon. G. W. Allen.
The corporation of Trinity University met yesterday afternoon and passed the following resolution:
"That this corporation, while deploring the loss of their honored Chancellor, and deeply sympathizing with his family in their affliction, would express their profound gratitude to Almighty God for His grace in the departed, manifested in the purity, integrity and nobility of his character, in his devotion to the public good, and in the untiring services which, as Chancellor for the past 24 years, he rendered to this University."
In deference to the wishes of the late Chancellor's family, members of the University will attend the funeral today, not as a body in their official capacity, but simply as individuals.
