

from Dr. McClure, informing us of the completion of the Hospital and Chapel.

Throughout the year we have had full reports by our representatives of the work done at the monthly meetings of the Executive.

The Society hopes this year to send another missionary to India, and our thoughts and prayers have been specially turned in that direction. May the hope of the Society be realized.

The Sewing class at Nazareth Street was most successfully carried on until April last year, when at the closing meeting the children had a most enjoyable afternoon, followed by refreshments provided by the teachers. The class has been again commenced and will be continued during the winter.

In accordance with the wish of the Society that each auxiliary should hold its own thank-offering meeting, ours was held in October, the collection on that occasion amounting to \$93.30.

The Treasurer reports the amount collected for this year to be \$488.70, which, in addition to our thank-offering collection, makes a total of \$582.

In closing we would give praise to God, who has brought us to the end of another year. With thankful hearts let us go forward, trusting in His strength to carry on the work.

For has He not said to us :

"Go ye into all the world and preach the Gospel to every creature."

Respectfully submitted.

C. DAVIDSON,

*Secretary.*
