Renovating a Pleasure.
Dear Miss Grey,—Perhaps I can help "Thank You" with my pleasant task of renovating furniture. I say pleasant because I enjoy painting, but I would never be an artist.
First, have the surface to be decorated clean, and sandpaper it a little in the rough places. Then apply two coats of white paint. I use the flat-tinted. Then use two coats of white enamel paint. The furniture that I have treated is standing the wear well, and is easily kept clean with water and bon-am. To change the drawer pulls just fill the holes with putty and after it has dried apply the first coat of paint.
I have redecorated bedroom furniture

chairs and woodwork, and the results suit me. I wish you success, "Thank You."
Miss Grey, I would like to receive the name and address of a soldier who "Thank You" to call again. As you would write him a letter, and here's hoping you will find the letter a little bit interesting. I will send a box, too, but it will be a New Year's box, but I'll promise you that it will be my best.
JOAN.
Ans.—Good, "Joan," that's just the sort of Pagettes we like: those who "threaten" to call again. As you would see, "Thank You" has also received help from others, but I am sure she will fully appreciate your kind information, too. It is a pleasure to mail you the address of an overseas "lonely."

PRINCESS MAHALIA

The World's Greatest Beauty

Beauty is more dependent upon a clear complexion than upon regular features. A woman may have a pug nose and a large mouth but if her skin is clear and her teeth good she will be attractive. The dentist can remove defective teeth and a short treatment with our Alternating Method of an Oil Cream for the day and night and a Vanishing Cream for the day will make a wonderful change in a few days. Ask your druggist for Seely's Double Cream. If he cannot supply you send us \$1.00 and we will mail you a postal brings booklet and samples of Mahalia Face powder and Sachet.

The GREAT MOVIE MYSTERY!

TWO MAGNIFICENT 1918 MOTOR CARS

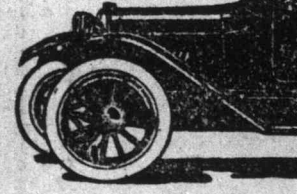

and \$373.00 in Cash Prizes for Best Replies

Here's a problem that kept an entire audience puzzled a whole evening. Can you solve it?

IT'S so interesting that you will get an hour's stimulating mental exercise from it and no end of amusement. You see the owner of this particular Movie Theatre was very proud of the excellent character of the plays he produced and each night would flash on the screen the names of the famous players who would soon be appearing in his pictures. But on one particular night the operator, wanting to play a little joke on his audience, took the names of the players and so mixed up the letters in each name that they spelled out the funny names you see above. Time and time again this film was flashed on the screen only to be demanded back. Many of the audience are still trying to solve the mysterious names. Can you help them?
