are still prominent thruout heathendom. Plato, one of the philosophers whose teachings were widely accepted at that time, and which were set aside by the Apostle as vain philosophies, the wisdom of men as compared with the wisdom of God, was the originator of the theory of human immortality. (Col. il, 8.) He claimed that man received a spark of divine that man received a spark of divine quality from the gods which could never be extinguished, and hence his of the world, amongst the most intelligent. It is not surprising, therefore, that it not only tinctured the views of the heathen, but also to some extent those of the Jews—tho comparatively few known as the Essenes. tively few, known as the Essenes.

Practically all of the larger denominations of Christendom hold to the Platonic theory, tho the majority are quite unaware of the origin of the document of the supported by every writer in the holy Scriptures. Quite the contrary of this is true, however; and, as we shall shortly show, the testimony of the Scriptures is radically in opposition to this theory from first to last, and without the exception of a single writer or a single text.

Free Receipt for Weak Men

Gentleman Will Send It Confidentially, Free and Sealed, to Every Weak and Unable Man Who Writes for It.

I have in my possession a prescription for nervous debility, lack of vigor, weakened manhood, falling memory and lame back, brought on by excesses, unnatural drains or the follies of youth, that has cured so many thousands of worn and nervous men right in their own homes—without any additional help or medicine—that I think every man who wishes to regain his manly power and virility, quickly and quietly, should have a copy. So, I have determined to send a copy of the prescription, free of charge, in a plain, ordinary, sealed envelope, to any man who will write me for it.
