ANOTHER LAKE IN ROCKWOOD

Hard Labor Squad of Prisoners Has Completed a New One Back of Lily Lake.

"Alderman Lewis' boys,"—the hard labor prisoners, have completed the formation of another new lake in Rockwood Park. The new lake is situated near the chain of small lakes which were formed some distance back of Lily Lake, a year or two ago. The men have been engaged on the work of clearing and filling for some time and their efforts have resulted in a marked improvement in that section of the city's big playground.

LICENSES FOR PICTURE SHOWS

Civic Committee Appointed to Consider Schedule Will Report Monday Night.

At Monday's meeting of the common council the committee consisting of Ald. Pickett and Ald. Christie, who were appointed to look into the business of the moving picture houses with the view of determining on a license charge, but they have not yet reached a decision as to what recommendations they will make, but they have examined the books and seen the shows in all the picture houses and they feel satisfied that the statements made about the enormous profits they reap, is much overdrawn. They have discovered that the expenses of these shows are very heavy and that the profits are far short of being marvelous.

Up to the present time no licenses have been issued and the various amusement houses have been running along without paying anything. Last year there were nine picture shows which paid \$75 each for a license and the Opera House paid \$100, making a total of \$775, as a revenue for the city from this source. So far this year there has been no revenue but it is probable that a license of \$100 will be asked for from the picture shows and if the law to license poolrooms is also enforced a good revenue will be derived from that source.

KNIGHTS WILL LEAVE FOR BOSTON TONIGHT

"Stay at Homes" Will Escort the Touring Knights of Pythias to the Calvin Austin.

This evening at 6 o'clock the Knights of Pythias who will attend the big gathering in Boston will assemble at their hall, Germain street, and march to the steamer Calvin Austin, which will sail at 7 o'clock. It is expected that a large number of the Knights who cannot go on the trip will also be on hand to escort their more fortunate brethren to the boat and give them a good send-off.

The Knights have been planning for this event for more than a year past and they look forward to a grand time while they are away. Many contingents will arrive this afternoon and will accompany the local boys.

The artillery band will march with the boys from the hall to the boat and there will no doubt be a large crowd at the wharf and along the route of march to see the crowd away. The bandmen and the majority of the Knights will return home on the boat Saturday next.
