Sir,

Referring to previous
Correspondence relative to
the road was in the form
of a letter by which the Indians
are desirous of receiving
for their own use I have to
inform you that I am advised
by the Dept of Justice that it
will be necessary for you
to furnish the most accurate
information with respect to
the road - It should be shown
when & under what circum-
stances the road was first
made & who made it &
particularly as to the number
of years for which the road
has been in use by the public
and under what of any
conditions.

Yours etc
