For Mother, Wife or Sister -- The Grandest Christmas Gift That \$1.00 Ever Bought

The talented women all working for you in a Hoosier will show you how to find new delights in cooking and baking. They put pleasure in women's work, while ending the slavery of it.

Some have spent years in finding ways to abolish kitchen drudgery; and the makers built into the Hoosier the best of the discoveries these experts submit.

It brings a score of super-features found through thousands of practical experiments—not in a factory, but in scientific kitchens.

A Hoosier will change your whole mode of life. You will have many more hours of leisure. When meal-time comes you can sit comfortably and restfully at your work; and that evening fatigue, that hard work brings on will soon disappear and fresher looks return.

All this is the result of Hoosier models. See the Hoosier vital sections. Note how 400 articles are so placed that every one of them is within arm's reach.

We direct your particularly attention to the Porcelain top, which does not rust and is as easily cleaned as a china plate.

SELECT YOUR HOOSIER TUESDAY SURE!

THE CLUB PLAN IS:

1.—\$1.00 down puts a Hoosier in your kitchen.

2.—\$1.00 weekly quickly pays for it.

3.—The low cash price fixed by the factory prevails strictly.

4.—No collectors going to your door.

5.—No interest or extra fees.

LISTEN, MEN!—Is it fair to your mother, wife or sister to let her get along with old-fashioned, women-killing, household equipment when you can have one of these Hoosiers delivered to your home for ONE DOLLAR?
