This Society was established in January, 1864, in connection with the anniversary exercises then held commemorative of the fact that in that month the Institution completed the twenty-first year of its existence. Its objects are common with those of similar associations organized by the Alumni of all the principal colleges and academies on the continent—the promoting of kindly feeling among its members, and the advancement of the interests of the institution with which it is identified.

Though the growth of the Society has not been commensurate with the hopes of those Alumni who were most actively concerned in its establishment, its beneficial influence has already been felt both by the Institution itself, and numbers of those who remember and revere it as indeed an “*Alma Mater*.”
