

LOCAL NEWS

The British Sailors' Relief Fund is now closed in the city of St. John, the sum of \$5,000 granted by the city, together with the private contributions making up the \$10,000 pledged by St. John to the fund.

L. Robertson, manager of the Bank of Nova Scotia, Fairville, has been transferred to Annapolis Royal (N. S.), and left for that place on Saturday. R. Dole of the West St. John branch succeeds Mr. Robertson. J. A. Morris, of the East Florenceville branch, succeeds Mr. Dole at West St. John.

On October 26, Police Inspector Thomas Caples will have been a member of the local force for twenty-six years. Starting as a patrolman, Inspector Caples owes his present position to energy and merit. His long period of service has made him a popular and well known official.

Bartlett W. Allen, a former resident of St. John, is spending a few days here after an absence of forty years. He found many changes in the city and could see signs of vast improvements during that time. Mr. Allen is at present located in Denver.

Last night about 6:10 street car number 118 crashed through the gates in

Mill street just at the time the Boston train was due. The motorman lost control of the car while it was coming down Mill street, owing to the fact that a bolt came out of the brake lever. Beyond the damage to the gates nothing else serious resulted.

The fact that no death from pulmonary tuberculosis was reported to the Board of Health during September would indicate that the efforts that are being made to combat the dreaded disease in this city are becoming effective.

A most enjoyable time was spent last night in the Girls Club in Princess street when an evening of games and music was enjoyed. The attendance was large and the evening a most pleasant one. Robert Dobson rendered several piano selections. Refreshments were served. It is planned to hold a number of such evenings throughout the winter.

WOMEN LISTEN TO REASON

You who suffer, why do you hesitate to try what has removed the sufferings of others? That good old fashioned remedy, made from roots and herbs—Lydia E. Pinkham's Vegetable Compound—has stood the test. It has been in overcoming the ailments peculiar to your sex. Why should it not do for you what it has done for others? Give it a chance.

James Wilson, aged fifty-eight years, for years a resident of St. John, died last night of heart failure at his home in Buffalo. Interment will be made there.

MARINE NOTES

An examination of the schooner Hustler, which sprung a leak in the bay and after being towed here Sunday was under water in the Market Slip shows that the vessel is not seriously damaged.

"My baby cries all night. I don't know what to do with it." "Tell me, what I did. As soon as our baby commenced to cry I used to turn on all the gas. The first time I did this I thought I was broad daylight, and went to sleep."

Good Old Home-Made Family Cough Remedy

Much Better than the Ready-Made Kind—Ready and Cheaply Prepared.

If you combined the curative properties of every known "ready-made" cough remedy, you would hardly have in them all the curative power that lies in this simple "home-made" cough syrup which takes only a few minutes to prepare.

Get from any druggist 2½ ounces of Pinex (50 cents worth), pour it into a 16-oz. bottle and fill the bottle with plain granulated sugar syrup. The total cost is about 54 cents and gives you 16 ounces of really better cough syrup than you could buy ready-made for \$2.50.

This Pinex and sugar syrup preparation gets right at the cause of a cough and gives almost immediate relief. It loosens the phlegm, stops the nasty throat tickle and heals the sore, irritated membranes that line the throat, chest and bronchial tubes, so gently and easily that it is really astonishing.

A day's use will usually overcome the ordinary cough and, for bronchitis, croup, whooping cough and bronchial asthma, there is nothing better.

Pinex is a most valuable concentrated compound of genuine Norway pine extract combined with guaiacal and has been used for generations to break up severe coughs.

To avoid disappointment, be sure to ask your druggist for "2½ ounces of Pinex" with full directions, and don't accept anything else. A guarantee of absolute satisfaction or money promptly refunded, goes with this preparation. The Pinex Co., Toronto, Ont.

As a result the light ignited the fumes from the gasoline and there was an explosion. The fire department were called out, but the flames were easily extinguished. Gin Pills

FOR THE KIDNEY'S MARTYR TO PAINS IN THE BACK
Baltimore, Md., Jan. 15, 1916.
About eight months ago I read your advertisement in one of the Baltimore papers, offering a free sample of Gin Pills for the kidneys. I had been a martyr to kidney pains across the back and decided to try Gin Pills. Before and during the trial I found myself free from pain in years perfectly free from kidney trouble.

Yours sincerely,
Mrs. (Jane) Percy.
