"I Sell It"

Mr. Storekeeper, when the manufacturer advertises a standard product in the newspapers, say "I SELL IT."

Say it by putting the newspaper advertised goods in your window.

People who see the goods will think your store up with the newspaper advertising.

They will want to see the things they have read about and your store will be the place they will go to.

FOLLOW BAND TO KING SQUARE

Watchward for Tomorrow Night
—Minister Enlists as Private and Shows Fine Example

Tomorrow night's by-word will be "Follow The Band!"

Four bands, starting from Haymarket Square, North End, West End, and South End, will play the populace in big processions to the new patriotic headquarters on King Square, opposite Breese's Corner.

Here an array of speakers will explain very forcefully the war situation at the present time. An appeal will be made to the manhood and womanhood of St. John to strengthen the nation's hand in this dire emergency. It is expected the response will be record-breaking.

Those having charge of the arrangements of tomorrow night's rally have completed every detail to their entire satisfaction. Carpenters are commencing the erection of the speakers' platform, near the diagonal walk leading towards the City Market. Colonel B. R. Armstrong's men will set up a big military tent tomorrow morning, and it is to remain as recruiting headquarters for the next few weeks.

So soon as these arrangements are made, recruiting officials and military medical men will be constantly in attendance to explain to inquirers the recruiting conditions and also to examine them as to physique. Every effort will be made to place the matter quickly and conveniently before the people.

Chairman E. A. Schofield of the meetings committee, has supplied to the press tomorrow night's list of speakers, which is as follows:

His Worship Mayor Frink, Rev. Matthew E. Connon, who is going into the next contingent as a private, Rev. Mr. Connon is pastor of the Portland Methodist Church, North End, and has enlisted as a stretcher bearer in the 45th battalion. The other speakers will be: A. J. Brooks of the 88th, and Rev. Mr. Harrison, an Anglican clergyman from St. George, who is also going to do the bidding. The meetings committee expect to have in addition to these speakers, Major Day of Ottawa, at present in Fredericton.

Interpersed with the speeches will be band selections and patriotic choruses. The whole meeting gives every promise of being an outburst of loyalty and practical patriotism, seldom if ever equalled in the city.

CANADA'S NEW GIFT TO ALLY

Hospital for French Soldiers Manned by Staff Able to Speak Language of Their Patients

London, Sept. 1.—As a result of the visit of Premier Borden to France, the Canadian government has decided to provide a hospital near Paris for wounded French soldiers. The government, having decided to equip the hospital, made a choice of a medical unit whose members will be able to speak the language of their patients.

The Canadian premier on the occasion of his visit to Europe was greatly impressed with the work of the Royal Army Medical Corps. When Sir Robert Borden met the French president recently he offered on behalf of the Canadian government to provide and equip a hospital for French wounded. The offer was accepted by President Poincaré, and, thanks to the exertions of General Carden Jones, director of the Canadian army medical services, and the co-operation of Philippe Roy, Canadian commissioner in France, and the interest of M. Hanotaux, ex-minister of foreign affairs, the promise of the Canadian prime minister is about to be fulfilled.

The hospital already is in existence in England in charge of Col. A. Mignault, of Montreal, since May, with a staff of French-Canadian medical men and nurses. He has been in charge of a tent hospital on the south coast of England capable of accommodating over five hundred patients. This is officially known as No. 4 Stationary Hospital. While it has done excellent work, it has afforded the members of the staff an opportunity of gaining experience for their new duty. The hospital to be given by Canada will be in the open, but special tents will be provided so that it may be used throughout the winter. There will be accommodation for more than 800. All necessary stores have been secured, and shortly the staff of French-Canadians, with Col. Mignault, will leave the south coast and pitch their tents on the outskirts of the French capital.

When You Return From the Country

And open up your town house, your rugs and carpets will need a thorough cleaning. It takes many hours of extremely hard work to do this in the old fashioned way, with a broom, but with our "SOVEREIGN" COMBINATION VACUUM CLEANER and SWEEPER it will be easy, and you will be surprised at the results. With its triple bellows it extracts every bit of dust from all through the rug (not merely the surface dirt as when a broom or ordinary sweeper is used), while the sweeper brush gathers up all the loose threads, lint, etc., leaving the carpet cleaner than if taken up and beaten.

We will be glad to send you one on trial, and you need not purchase it until convinced that it is the best cleaner you have ever used.
